

Small Business Advisor | Special Announcement - February 2013

In this issue: ■ **Time to nominate for two Wisconsin Partners for Clean Air awards programs**

Time to nominate for two Wisconsin Partners for Clean Air awards programs

By Jessica Lawent, Air Management Transportation Specialist, DNR Southeast Region

Please take this opportunity to nominate organizations/companies that took voluntary actions to improve Wisconsin's air quality in 2012 or apply yourself. The [Recognition Awards program](#), sponsored by the [Wisconsin Partners for Clean Air](#), was established in 1996 as a way to recognize businesses and organizations for their accomplishments and to share information about their success with other organizations. The [Commuter Champion Award program](#) was added in 2008 to recognize those businesses that provide exceptional transportation options to their employees.

The nomination deadline for both awards is March 22, 2013. Nomination guidelines and lists of previous winners can be found at <http://cleanairwisconsin.org/partnersmad.php>. The nomination process is easy and the award offers a positive image for the companies among the public, customers, and employees. You are encouraged to nominate a company that you work with or you can nominate yourself.

Awards will be announced and presented at the annual Clean Air Extravaganza event on May 23rd at the new UW Milwaukee Zilber School of Public Health in downtown Milwaukee.
