

**DEPARTMENT OF NATURAL RESOURCES
Black River Falls, Wisconsin**

**PUBLIC NOTICE
Timber for Sale - Invitation for Bids**

Sealed bids will be received by the Black River State Forest Superintendent at the Black River State Forest Headquarters (Castle Mound), W10325 Hwy 12, Black River Falls, Wisconsin 54615; up to 9:00 a.m. on Wednesday, November 9, 2016. A timber sale prospectus, map, bid forms and detailed information on each timber tract can be obtained by the internet at: <http://dnr.wi.gov/topic/TimberSales/salesBlackRiver.html> or by contacting the Forester at the above address, or by calling 715-284-4108.

Results from the bid opening and information on any un-sold tracts can be obtained by checking our website or calling the number listed above. Tracts not sold on November 9, 2016 will be available for re-bid up to 9:00 a.m. on Wednesday, November 16, 2016.

The Department of Natural Resources reserves the right to reject any or all bids. Bids will be opened publicly at the Black River State Forest Headquarters (Castle Mound), Black River Falls, at 9:00 a.m. on November 9, 2016 and November 16, 2016.

Tract Information

There are seven (7) tracts of timber for sale on the Black River State Forest in T20N-R2W and T22N-R3W. The tracts comprise 552 acres and contain an estimated 16,790 tons of pine and hardwood pulp.

Additionally, there are three (3) tracts of timber for sale on Other State Lands in T18N-R3W, T21N-R6W, and T23N-R5W. The tracts comprise 148 acres and contain an estimated 4,812 tons and 95 MBF of pine and hardwood pulp and sawlog volume. For questions regarding Other State Lands (tracts#3-16, 4-16, and 2-17), contact Clint Gilman at: 715-284-1410.

These timber sales are certified to the standards of the Forest Stewardship Council® (FSC®) as responsibly managed (license code FSC-C006979) and to the standards of the Sustainable Forestry Initiative® (SFI®) program. Forest products from this sale (or these sales) including logs or chips of all species may be claimed as “FSC-100%” under certificate SCS-FM/COC-00070N or “100% SFI certified” under certificate NSF-1Y941-SF7.

Bidding Requirements

All bids must be submitted as sealed bids, in individual envelopes for each tract, and labeled with the tract number. Use Department Timber Sale Bid Form (updated 2016 version 2400-49) and include the following:

1. Tract number
2. List of all species to be cut, utilization specifications (4” top or whole tree), and estimated volumes as listed on the timber sale prospectus. (Tract # 4-17 is the only tract with a whole tree option.)
3. Bid price per unit for each species and product listed. No “zero” bids for any species will be accepted.
4. Check off the type of performance bond to be used in the appropriate box on the bid form.
5. Signature, address and phone number of bidder. E-mail contact information is optional.
6. **Lump sum bids will only be accepted for tract #7-17.** The remaining tracts are scaled sales, and must be bid accordingly.
7. **Bids must be legible and accurate. If we cannot determine the price per unit, totals, or other required information, your bid may not be accepted.**
8. At any time prior to the reading aloud of any bids for a particular sale, bidders may withdraw their bid from consideration. This can be done in person or by written instruction to the Superintendent or DNR Forester conducting the bid opening.

****No Bid Bonds are required for this bid opening. However, if the winning bidder fails to execute the contract and submit an acceptable performance bond, the bidder shall be required to forfeit to the department an amount equal to 10% of the total bid amount. Failure to forfeit the 10% penalty will result in the bidder being considered ineligible to bid on any state timber sales for a two-year period.**

All sawlog volumes are included with the tonnage volume estimates, unless noted otherwise, but estimates are listed on the prospectus. All Black River State Forest Sales will be scaled by the ton or converted to tons (from either cords or board feet) by the conversion rates in the contract.

Additional Requirements

Performance Bond of a minimum of \$1,000.00 or 15% of the total bid value is required upon the signing of a timber sale contract. Contracts must be signed within 2 weeks of the bid opening and performance bonds **must be received within 6 weeks of the bid opening**. An Irrevocable Letter of Credit issued as a Performance Bond will be required to be 4 years in length. Letters of Credit for sales awarded this bid opening should be written to expire on **January 1, 2021**. **If this is not possible through your lender, contact the DNR Forester as soon as possible for other options.**

Worker's Compensation Law: The contractor (purchaser) shall provide the Department with an original Certificate of Insurance indicating that Worker's Compensation Insurance coverage is provided for all of the contractor's (purchaser's) employees working under the contract during its duration. This shall be in the Department's file prior to any performance under the contract. The purchaser shall notify the Department in writing, immediately upon any change in or cancellation of insurance coverage required under the contract.

Payments: Timber will not be removed from any sale area until paid for or a satisfactory guarantee for payment is made. However, qualifying contractors have the option to sign a contract under the deferred payment program. Under this option, payment shall be received at the payment lock box in Milwaukee or by the DNR Forester within 30 days from billing. (**Deferred payment is not allowed with lump sum sales.**)

Late payment—Failure to pay within the 30-day period shall result in:

- The contractor being required to prepay stumpage on the remainder of the sale.
- The payment breach being documented by forwarding the contractor's name to the County Forest Specialist in Madison.
- A 1.5% every 30 days late interest penalty being assessed on stumpage due.

Sales Tax Exempt Status: The purchaser must also furnish a completed copy of the Department of Revenue Sales and Use Tax Exemption Certificate. (New filing requirement for DNR timber sales.)

Training Requirement: The purchaser is responsible for ensuring that the actual logging contractor complies with the Wisconsin SFI training standard as adopted by the SFI Implementation Committee (SIC). Criteria for the standards can be found at the Web site: www.fistausa.org/sfi_standards.html, or by contacting the Forest Industry Safety & Training Alliance (FISTA). Purchaser must provide documentation to Seller that training has been attained.

For timber sales that require stump treatment for Annosum Root Rot, treatment must be performed by a Certified Pesticide Applicator through Wisconsin Department of Agriculture, Trade and Consumer Protection. **Proof of Certification will be required prior to beginning any areas requiring treatment.** More information can be found at: http://datcp.wi.gov/Plants/Pesticides/Licenses/Commercial_Applicator_Certification.

Additional information and forms for bidding, including pre-filled bid sheets, can be obtained from the Forester, Black River State Forest, W10325 Hwy 12, Black River Falls, Wisconsin, 54615 or at our website: <http://dnr.wi.gov/topic/TimberSales/salesBlackRiver.html>. For questions regarding Other State Lands (tracts#3-16, 4-16, and 2-17), contact Clint Gilman at: 715-284-1410.

The Department of Natural Resources reserves the right to reject any or all bids.

NOTE: An updated 2016 Bid form (2400-49) is enclosed. Feel free to make your own copies if you need more.
