

Brule River State Forest Timber Sale Information

Sealed bids will be received at the Brule River State Forest Office, 6250 S. Ranger Rd., Brule, WI 54820, up to 3:00 p.m., Wednesday April 22, 2015 and will be opened immediately thereafter for timber stumpage described in this prospectus. This bid opening will be held for tracts 06-10, 14-12, 05-13, 10-13, 01-14, 02-14, 04-14, 05-14, 06-14, 07-14, 08-14, 09-14, and 11-14 on the Brule River State Forest, and for tracts from Pattison State Park, Bibon Swamp Natural Area, White River Fisheries Area and other state DNR property. Sealed bids will be accepted by the Brule River State Forest office until 3:00 p.m., Wednesday April 29, 2015 for any tracts not sold on Wednesday April 22, 2015.

1. Bidding Procedure for Timber Sales
 - a. Bids will be made by species for each tract; however, a minimum bid for each species is not published. Wisconsin DNR Timber Sale Bid Forms must be used to make bids.
 - b. Estimated volumes used on individual sale prospectus maps are based on a four inch (4") top diameter. Tracts 14-12, 05-13, 01-14, 05-14, 06-14, and 09-14 (BRSF) and tracts 1-14 (Highway W Sale) and 2-14 (Pattison State Park) will be offered at a less than four inch (4") top diameter utilization, use volumes as listed on individual sale map.
 - c. The **high bidder** will be determined by the **greatest total bid** for each tract.
 - d. Bids will be opened in random order from a draw of the hat.
 - e. **Bidders in attendance** can remove their bid from consideration before each individual tract is opened.
2. Bids may be made on one or more tracts
3. Submit bids in individual sealed envelopes marked "Bids for Timber Stumpage" with the tract number and timber sale name on the outside.
4. A per unit bid must be made on every item on a tract.
5. No bid bonds will be required for any submitted bid. Winning bidders must submit an acceptable performance bond within 6 weeks of the bid opening. If the winning bidder fails to execute the contract and submit an acceptable performance bond, the bidder shall be required to forfeit to the department an amount equal to 10% of the total bid amount. Failure to forfeit the 10% penalty will result in the bidder being considered ineligible to bid on any state timber sales for a two-year period.
6. A **Performance Bond or Letter of Credit** is required before awarding of contract. The bond shall be fifteen percent (15%) of the total bid value or a **minimum of \$1000.00**. The bond will be held intact by the Department of Natural Resources until the satisfactory completion of the timber sale contract.
7. The Department of Natural Resources reserves the right to reject any or all bids.

UTILIZATION

1. All trees designated for cutting will be utilized to a four inch (4") top diameter unless stated otherwise in the prospectus.
2. When designated for cutting, all trees containing one (1) or more one hundred inch (100") long stick to a four inch (4") minimum top diameter will be considered merchantable.

SCALING AND PAYMENT

1. Payment for timber removed from site must be made within 30 days after hauling or scaling under deferred payment option unless otherwise indicated on sale map.
2. The mill scale ticket system will be used as the preferred method of sale administration for sales on the Brule River State Forest. Other scaling systems may be used at the discretion of the Department of Natural Resources.

3. If a woods scale system is used, all cordwood will be piled for scaling. Piles will be level and square with at least two cords per pile. At least 20 cords will be piled before a scale is requested. Scaling requests must be made at least one day in advance.
4. Weight scale conversions will be at rates as specified in the DNR timber sale handbook.

CONTRACT PERIOD

1. The contract period shall be for a period of 2 years unless otherwise noted.
2. Contract extensions will not be granted without justifiable reason. Justification will be determined by the Department of Natural Resources. If extended, stumpage prices will be increased by five percent (5%). For each additional extension, the stumpage rate will be increased by ten percent (10%).

OTHER CONDITIONS

1. Wisconsin's Best Management Practices for Water Quality (BMPs) and Woody Biomass Harvesting Guidelines must be followed on all DNR timber sales.

The "Contractor" (purchaser) shall provide the Department with a Certificate of Insurance counter-signed by a Wisconsin Resident Agent, indicating that Worker's Compensation Insurance coverage is provided for the duration of the contract prior to any performance under it. Such Certificate of Insurance shall further include the condition that the insurer shall notify the Department at the Brule River State Forest Office within five (5) days of any change in its terms of twenty (20) days prior to its termination.

Contract may contain other provisions. A sample copy of the contract is available upon request.

Current Brule River State Forest contracts that have run longer than the original expiration date must be completed before sale operations are started on a new contract.

6250 S. Ranger Rd.
Brule, WI 54820

NOTE: Prospectus maps for each of the timber sales are available at the Brule River State Forest office. Contact Eric Sirrine at the above address and phone number if you have any questions concerning these sales. For White River Fisheries Area Sales contact Joseph Lebouton at (715) 373-6165. For Bibon Swamp Sale contact Kyle Johnson at (715) 795-2565. For Pattision and Highway W Sales contact Dale Rochon at (715) 399-3100.

*****FOLLOWING APPLIES TO BRULE RIVER STATE FOREST, WHITE RIVER FISHERIES AREA, BIBON SWAMP NATURAL AREA, PATTISON STATE PARK, AND OTHER STATE LAND SALES*****

*****TRAINING STANDARD*****

Successful purchasers of timber stumpage on Wisconsin State Forests will need to ensure that the actual logging contractor complies with the Wisconsin Sustainable Forestry Initiative (SFI) Training Standard as adopted by the Wisconsin SFI Implementation Committee (SIC). Criteria for the training standard can be obtained by contacting FISTA. Purchaser agrees to provide documentation to Seller that the training has been attained prior to initiating the sale

FOREST CERTIFICATION: These timber sales are certified to the standards of the *Forest Stewardship Council*® (*FSC*®) as responsibly managed and to the standards of the *Sustainable Forestry Initiative*® (*SFI*®) program. Forest products from these sales including logs or chips of all species may be claimed as “FSC-100%” under certificate SCS-FM/COC-00070N or “100% SFI certified” under certificate NSF-1Y941-SF7.

Cutting Specifications:

1. Sale boundaries marked in red paint. Leave patches marked in purple paint.
2. Sale will be offered as a whole tree harvest. If whole tree harvested leave 1 of every 10 tops on site.
3. Oak/Spruce Area: Cut all red oak, maple, aspen, white birch, and jack pine at least 2" in diameter. Utilize any which contain a 100" merchantable stick. LEAVE all trees marked in green paint. Cut all red pine, white pine, and white spruce marked in orange paint, utilize any which contain a 100" merchantable stick.
4. Black Spruce/Tamarack Area: Cut all spruce, tamarack, aspen, red maple, oak, and white birch at least 2" in diameter. Utilize any which contain a 100" merchantable stick. LEAVE all white pine.
5. Slash must be spread evenly across site to a depth no greater than 3 feet.
6. All pine products cut between May-August must be hauled within 2 weeks.
7. New road and/or landing construction must be approved by property manager or contract administrator. Existing woods roads should be sufficient for access.
8. There are no seasonal restrictions for the oak/spruce stand. Harvesting the black spruce/tamarack is limited to frozen ground only.

*This map is not a survey of the actual boundary of any property this map depicts.

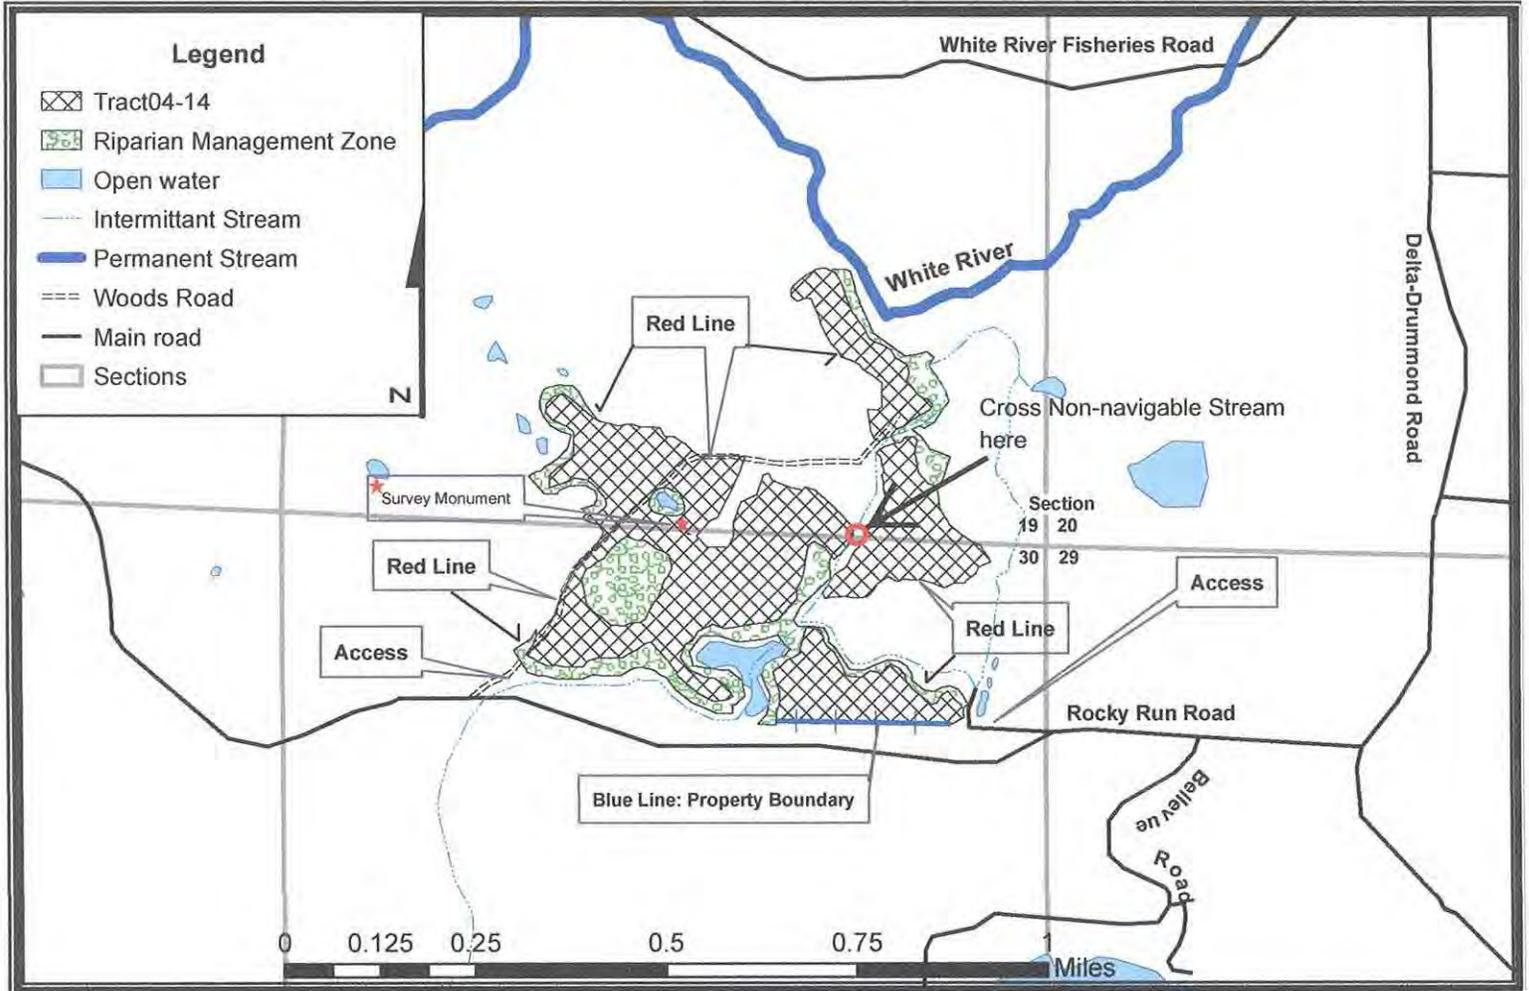

White River State Fisheries Area

Forester: Delegan/Peterson	Rocky Run Road Sale: 94 acres
Township: Delta	T46N R7W Sec 19 & 30
Soil: Sandy loam	Compartment: 231
Topography: Flat	Tract No: 04-14

Harvest requirements:

- This sale is being sold on a Ticket Scale basis.
- Harvest operations are limited to FROZEN SEASON ONLY between Nov. 15th and March 15th.
- Whole-tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- Sale boundaries are marked in red paint, property boundaries are marked in blue paint (SW corner).
- Harvest all unmarked aspen, white birch, oak, balsam fir, and mixed hardwood down to 2" DBH
- LEAVE all green-marked trees. LEAVE all white cedar, tamarack, white spruce, white pine, un-marked red pine, black cherry, elm, and yellow birch.
- Do not damage any survey monumentation.
- Damage to residual trees will not be tolerated.
- All slash must be lopped and scattered throughout the harvest unit.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- Do not cut snags except those that pose a safety hazard to logging operations.
- Decking of wood along town roads will not be allowed without permission of the Timber Sale Administrator.
- This contract requires authorization by the sale administrator for all road/landing construction, and places a number of other requirements on road construction and closure.

FOREST CERTIFICATION. This timber sale is certified to the standards of the Forest Stewardship Council® (FSC®) as responsibly managed (license code FSC-C006979) and to the standards of the Sustainable Forestry Initiative® (SFI®) program. Forest products from this sale including logs or chips of all species may be claimed as "FSC-100%" under certificate SCS-FM/COC-00070N or "100% SFI certified" under certificate NSF-1Y941-SF7.

Bibon Swamp Natural Area

Wisconsin Department of Natural Resources

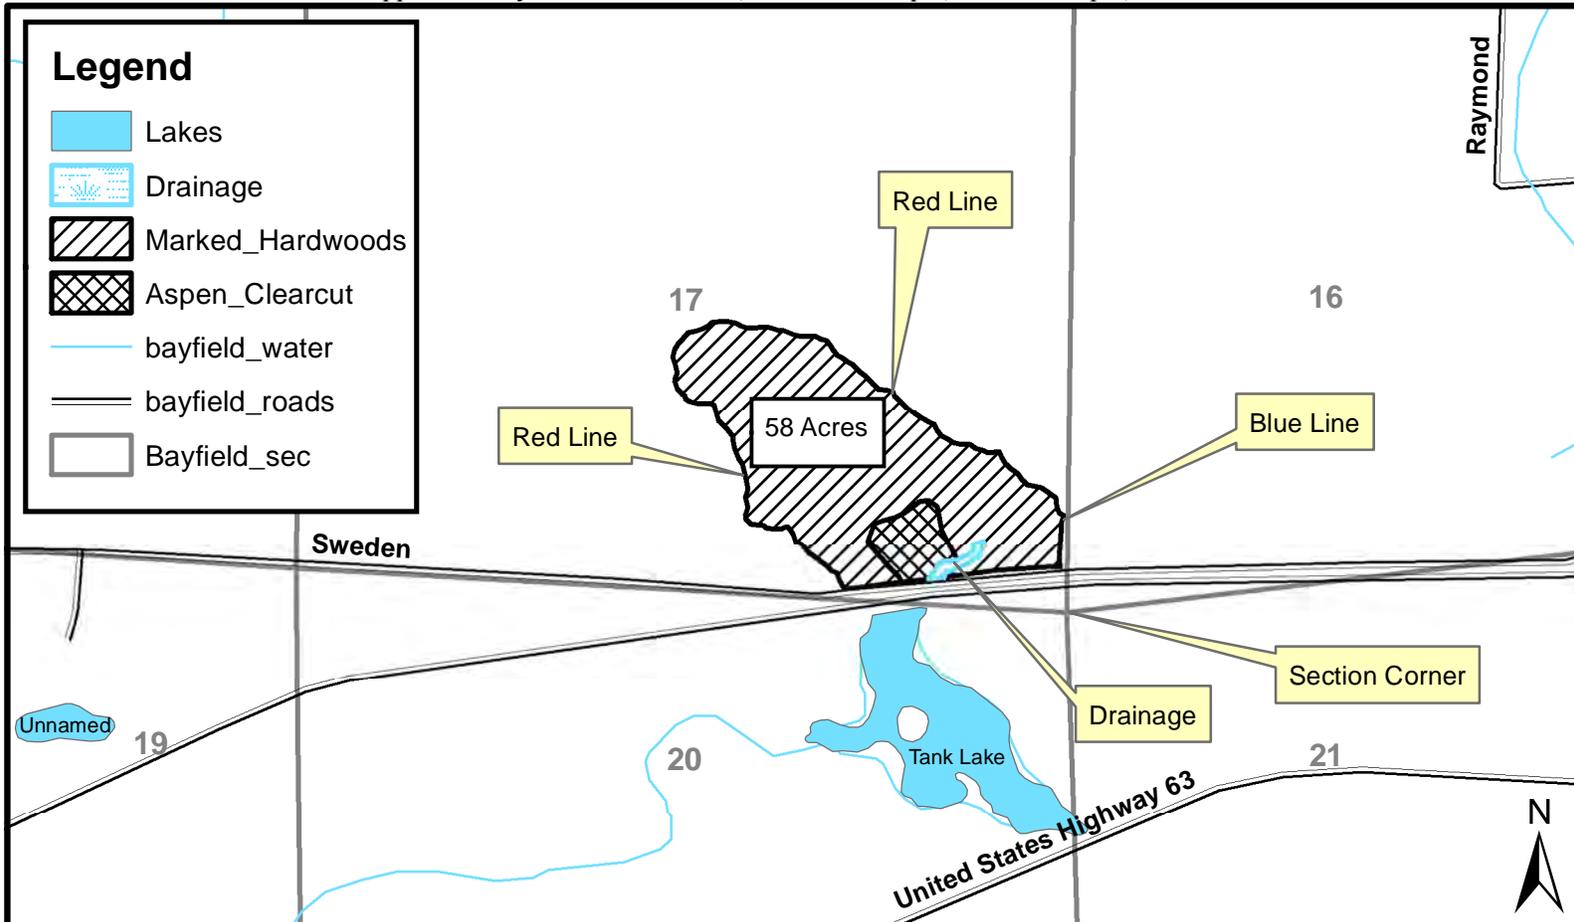

Bibon Swamp Sale – Tract 1-15 - 63 acres

T45N R6W Sec 16 and 17

Species	4" cords	MBF	Avg. Diameter (in)	Min Advertised Value
Aspen	80	0	9	\$1,664.00
Mixed Hardwood*	230	10	10	\$4,990.00
Basswood	280	20	10	\$3,328.00

White Pine	30	60		336
White Pine			15	1230.00
White Spruce			4	164.00.00
TOTALS	1160	1700		\$18,174.00

MX is 3.6% Bass, 35.7% MR, 2.3% MH, 41.7% ash, 16.7% BW. PW logs are 3% red pine. PW pulp contains 33% spruce.

CONTRACT SPECIFICATIONS:

Contract Period: 2 year

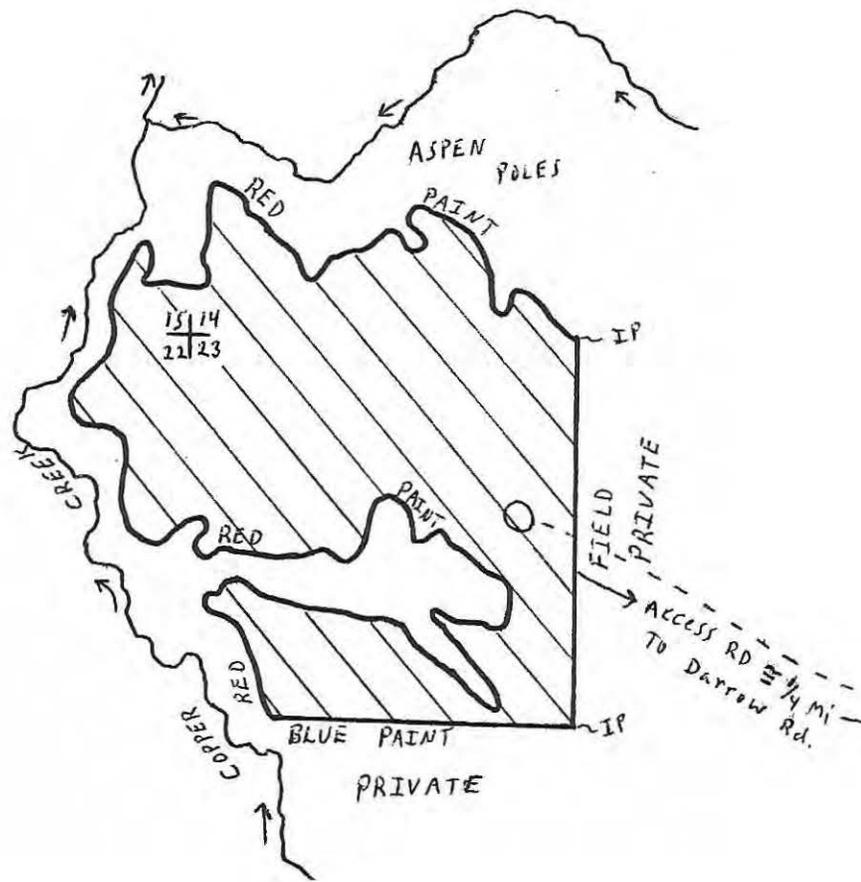

Cut all trees 2" DBH and larger within the sale area except for Spruce, Pine, Oak and Cedar. Cut only those spruce and pine marked with an orange breast and stump mark. Oak and cedar are to be left uncut and undamaged.

Care shall be taken to not damage the residual Pine and Spruce.

Logging is restricted to winter months/frozen ground as access is through a private hay field. Soils are red clay with some wet areas and rutting is a big concern, being this is park property.

All slash is to be kept within the painted sale boundary and lopped to within 2 feet of the ground.

Adjoining neighbor to the east has agreed to allow access across his field. It is the contractors responsibility to get a use agreement from this landowner.

 Acres: 50
 Comp: 7
 Town: Superior

Air Photo: DOU NW16 25-2
 Scale: 8" = 1 Mile
 Topography: Level
 Soils: Red Clay

ESTIMATED VOLUMES

SALE SPECIES	5" DBH TREE TO A 4" TOP CORDS	WHOLE TREE CORDS	LOGS MBF	MIN. ADVERTISED VALUE
Aspen	860	1400		\$8,944.00
Mixed Hdwd.	200	500		\$1,560.00
TOTALS	1060	1900		\$10,504.00

Mixed hdwd: 71.5% Ash, 23.5% red maple, 5% Birch (4" top volumes)

CONTRACT SPECIFICATIONS:

Contract Period: 2 year

Cut all trees 2" DBH and larger within the sale area except for Spruce, Fir, Pine and Burr Oak which are to be left uncut and undamaged.

All slash is to be kept within the painted sale boundary and lopped to within 2 feet of the ground.

Only one crossing is to be cut through the red painted the North Country Trail corridor that runs through the middle of the property.

It's the contractors responsibility to secure all permits necessary to cross the pipelines, and secure the Hwy access permit. if one is needed.

Cutting is restricted to winter/frozen ground due to numerous wet spots across the sale area and NHI concerns
