SPECIAL SALE CONDITIONS:

1. Harvesting activities will be restricted to December 1-March 15 due to wet soil conditions and management objectives for the area. Road building and improvement activities are restricted to very dry or frozen ground conditions.
2. No pole length skidding will be allowed.
3. Existing woods roads will be used. Improvements may need to be made on several portions of the existing road system. Decking will be permitted along woods roads.
4. Bear Creek Road is a snowmobile trail. 3" of packed snow will be maintained on snowmobile trail, weather permitting.
5. Slash that is within 100 feet of the Flambeau River shall be lopped and scattered to within 2 feet of ground.
6. No new access points will be permitted.
7. Contractor will be required to close gate when sale is not in operation and/or wood is not being hauled. Motorized vehicle access in this area is restricted to only forest management activity.
8. Drainage area as indicated on map will need to be filled with snow, weather permitting. If snow is not available, timber mats or poles will be needed.
9. All logging debris shall be kept off of and out of the ditch lines of the hunter walking trails and open roads.
10. **All additional restrictions listed in prospectus and standard contract apply unless specified.**
