²Conifer species will be charged at the basswood pulp price.

The performance bond will be 15% of the total sale value. Contract length is approximately two years.

SPECIAL SALE CONDITIONS:

1. Equipment use will be restricted to very dry or frozen ground conditions due to wet soil conditions.
2. No pole length skidding will be allowed in the select cut areas.
3. Existing woods roads will be used. Improvements will need to be made on several portions of the existing road system.
4. Decking will be permitted along woods roads and hunter walking trail, however, slash and logging debris must be removed from the road and ditches concurrently with each truckload.
5. Garlic mustard is present to the west of the sale. No access using this road will be permitted. Site is depicted on map.
6. Area A Select Cut must be harvested last! Equipment must be cleaned prior to coming to and leaving the sale area.
7. Gates must be closed during non-working hours.
8. Any government survey monuments located within the sale shall not be damaged or disturbed.
9. **All additional restrictions listed in prospectus and standard contract apply unless specified.**
