

Nursery School by JN Plant Selections, LLC

Come learn how to grow plants from a professional in an exclusive new series of classes for the gardener who wants to excel. Get one on one learning from Michael Yanny, plant propagator, plant breeder, and poet in small class settings. The main emphasis of this series of classes will be on propagation. (for example: seed collection, softwood cuttings and dormant wood grafting) This will allow gardeners to understand the beginnings of growth with plants. So come grow your knowledge at Nursery School! Grow up or just be a kid again! Either way, you'll find enjoyment in these fun and exhilarating sessions. A schedule of the educational opportunities will come out in about a month, once the new JN Plant Selections, LLC website has been produced. Following is the announcement of the first class in the series.

Grafting Class—Chip Budding

Sat., August 4, 2012

Learn how to graft your own trees! *Michael Yanny, (a plant propagator with over 30 years of grafting experience) will show you how this magical process is accomplished.*

You will receive one-on-one instruction on how to properly execute grafting cuts necessary for a successful take. You will produce five grafted plants of your choosing. Understock available to graft onto will include: Malus 'Sprout Free'-Apple, Tilia Americana-Basswood, Tilia cordata-Littleleaf Linden, Phellodendron amurense-Amur Cork Tree, and Syringa pekinensis-Pekin Tree Lilac. Possible trees you can produce from scions on hand will include: Male Cork Tree, Ornamental Crabapples (Firebird, Moonglow, Rancho Ruby), Various eating Apples including antique varieties, Dwarf Lindens (Girard's Dwarf), Fernleaf Linden, and Dwarf Lilacs on standards.

If you are interested in custom grafting a specific tree of your own, you may contact us ahead of time to make sure you secure the proper wood for the procedure.

The \$225 fee for the class gets you:

3 hours of private instruction

5—1 gallon trees that you have successfully grafted.

*All classes will be held at Johnson's Nursery, Menomonee Falls, WI
Location: W180 N6275 Marcy Road, Menomonee Fall, WI*

Pre-registration is required: Contact,
