

Submit Data

- Available after completeness check is passed
- Completeness Check is run automatically when the Submit Data link along left side of screen is clicked
- **To submit report, click Submit Data button on the Completeness Check screen**
- Data acknowledgment E-mail will be sent to waste report preparer contact that was entered in the system

13

Click the Submit Data link shown along the left side of the screen, and the Completeness Check will automatically be run again. After you meet the requirements in the Completeness Check, you can submit the information to DNR for processing. **To submit the report, click the Submit Data button on the Completeness Check screen.** An E-mail message acknowledging receipt of your site's data will be sent to the waste report preparer contact that was entered in the system.

Submit Data (cont.)

- Once submitted, data cannot be changed (contact DNR regional environmental program associate if data needs to be corrected and re-submitted)
- Download Forms only option available and can be used to print all of your reported information in PDF format for your records
- Certification Form (or Exemption Form if it was completed instead) must be printed, signed by waste report certifier and sent to DNR. Other forms in the report should not be sent.

28

You can also download all of your reported information in PDF format and keep it for your records. After submittal, this is the only option available in the navigation links along the left side of the screen. If you need to make a correction to your report after it has been submitted, contact your local DNR environmental program associate. They can re-open access to the reporting system so you can correct your report and re-submit it. After submittal, the Certification Form (or the Exemption Form if it was completed instead) must be printed, signed by the waste report certifier and sent to the DNR. Other forms in the report should not be sent.
