

*From Wisconsin Waters to Your Plate*

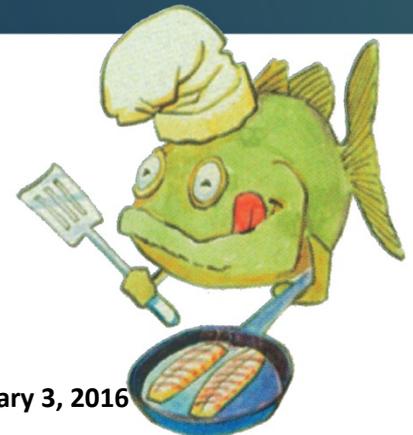

# Fishing for Dinner

Are you interested in sustainable, local foods?  
Did you miss the fishing boat as a kid?  
It's not too late to learn how to reel in dinner.

**Sign up for classes to learn basic fishing skills and where to find fishable waters close to home.**

This 4-session class begins with indoor practice sessions to prepare you for ice fishing, and culminates with a potluck feast. You'll learn about Wisconsin's fishing tradition and how to keep it sustainable, and a chef will show you how to prepare your catch for the table. All gear and supplies are provided.
