

From Wisconsin Waters to Your Plate

Fishing for Dinner

Are you interested in sustainable, local foods?
Did you miss the fishing boat as a kid?
It's not too late to learn how to reel in dinner.

Sign up for classes to learn basic fishing skills and where to find fishable waters close to home.

This 5-session class begins with indoor sessions to prepare you for fishing, then heads to the water and culminates with a potluck feast. You'll learn about Wisconsin's fishing tradition and how to keep it sustainable. Chefs from Oliver's Public House will show you how to prepare your catch for the table. All gear and supplies are provided.
