

From Wisconsin Waters to Your Plate

Fishing for Dinner

Are you interested in sustainable, local foods?
Did you miss the fishing boat as a kid?
It's not too late to learn how to reel in dinner.

Sign up for classes to learn basic fishing skills and where to find fishable waters close to home.

This 4-session class begins with indoor practice sessions to prepare you for ice fishing, and culminates with a potluck feast. You'll learn about Wisconsin's fishing tradition and how to keep it sustainable, and then you'll learn how to prepare your catch for the table. All gear and supplies are provided.
