

Lake Superior Moments

By Catherine Khalar

Superior days and Superior nights,
Superior lighthouses, beaconing lights.

Superior sandcastles on the Superior beach,
Superior shells and agates within my child's reach.

Superior boats and Superior fish,
A Superior experience, just what you'd wish.

Superior kayaks along the Superior Water Trail,
Superior campfires to tell a Superior Tale.

Superior waves crashing on the Superior shore,
Superior strength and beauty that leaves you wanting more.

Superior moments on a Superior Lake,
will cast away troubles in the Lake Superior wake.
