

# Stakeholder Input Group

## Milwaukee Estuary

### Area of Concern

#### AGENDA

July 27, 2011  
1 to 4 PM

Wilson Park Pavilion  
1601 W. Howard Ave.

The meeting will address water quality issues as they relate to the portion of the Kinnickinnic River from Chase Avenue to the Milwaukee Estuary/Harbor.

Attendees were asked to review meeting materials in preparation for today's workshop. A follow up meeting will be planned that will continue discussion as needed and, if appropriate based on today's workshop outcome provide draft recommendations for this portion of the AOC.
