

# Stakeholder Input Group Special Session Milwaukee Estuary Area of Concern

## AGENDA

Sept. 21, 2011  
9-11 a.m.

Milwaukee Community  
Sailing Center\*

Representatives from the U.S. Environmental Protection Agency and the Wisconsin Department of Natural Resources will be present for this special stakeholder input session. Stakeholders of the Milwaukee Estuary AOC will have the opportunity to hear the DNR and EPA perspectives on the AOC program, as well as give feedback to the agencies about the program.

Introduction and themes from stakeholder comments

DNR and EPA goals for the AOC program

Moving the Milwaukee Estuary forward

Additional questions from the stakeholders

\*We gratefully acknowledge our host sponsor, the Milwaukee Community Sailing Center, for offering our agency a generous reduction in its facility rental fee.
