

# County Deer Advisory Council Evaluation

**County:** \_\_\_\_\_

Please provide the leadership of the CDAC with your input and feedback regarding your CDAC meeting. In our ongoing effort to ensure the CDAC encourages leadership and involvement at all levels, we want to hear your comments about your CDAC meeting – good, bad or otherwise.

For example: Were there issues or topics that you think your council could have or should have reviewed? If so, let us know what they are. Is there something we could do to help you better prepare for your meeting? Did you feel that your council had adequate time to discuss the items on your agenda? Did you feel that the meeting was productive? Did the council function well? (I.e., did the council leaders effectively facilitate the meeting and were the council members engaged and participating in the discussion?) If you have any additional comments about your committee meeting or ideas that would improve the experience or help your council be more effective, efficient or productive please let us know.

Here is your chance to share your thoughts with us. You are welcome to remain anonymous.

If you are on more than one council, please fill out a separate sheet for each council.
