

#WIHUNT2016 – Starting New Traditions

I hope you're as excited as I am for another 9-day gun deer hunting season here in Wisconsin. Deer hunting in Wisconsin means family/friends, a historical tradition, economic benefit, food and fun.

Remember, always put safety first, and use the acronym "TAB-K" to help keep some important tips in mind.

- **T** (Treat every firearm as if it is loaded)
- **A** (Always point the muzzle in a safe direction)
- **B** (Be certain of your target and what's beyond)
- **K** (Keep your finger outside the trigger guard until ready to shoot)

Wisconsin is a safe place to enjoy the hunting tradition - let's keep it going!
