

INTERIM FOREST MANAGEMENT PLANS

Public Review

January 31 - February 13, 2017

What is an “Interim Forest Management Plan”?

Interim Forest Management Plans (IFMPs) are intended to guide timber management on properties that do not yet have formal master plans. The Department of Natural Resources expects to complete detailed master plans for these properties at some point in the future.

How can you help?

The Wisconsin Department of Natural Resources is interested in your comments on IFMPs. This public comment period applies to proposed Interim Forest Management Plans for the following properties:
