# NORTHERN STATE FORESTS MASTER PLAN VARIANCE:

## *“Land Management Classifications”*

### **The Department of Natural Resources wants your comments on a variance to northern state forest master plans.**

In accordance with Wisconsin Act 55, 2015 Wisconsin Act 358 and 28.04(3), Wis Stats., the Wisconsin Department of Natural Resources (WDNR) is required to propose a variance to the master plans of all state forests, except southern state forests and Governor Knowles State Forest, so that 75% of all the land is classified as a forest production area.

From Oct. 19 through November 30, 2016, citizens were asked to share their thoughts and suggestions. A summary and response to their comments, along with maps and documents describing proposed changes in land management classifications can be found at: <http://dnr.wi.gov/topic/Lands/MasterPlanning/NorthernSF/>
