

# Help Out on State Natural Areas

## Bluff Creek Workday

**Get outside and cut up buckthorn at Bluff Creek SNA.** Come cure your cabin fever and help volunteers during our monthly Southern Kettle Moraine SNA workdays on the second Saturday. Enjoy a short hike, then help cut and pile brush, learn something, meet knowledgeable people, and enjoy the beauty of this fen area in the process. Buckthorn can spread and shade out rare fen plants at this site. No skills needed you will be trained onsite.
