

### Ecologically Significant Places of the Central Lake Michigan Coastal

Scale: 1:1,000,000  
 Wisconsin Transverse Mercator NAD83(91)  
 Map CLMC5 - ams

- Significant Ecological Places**
- Land Legacy Places
  - ▨ Important Bird Areas
  - State Natural Areas
- Conservation Opportunity Areas**
- ▨ Terrestrial
- Other Features**
- ~ River Systems
  - ~ Lakes
  - Protected Land\*
  - Native American Land
  - ~ Ecological Landscape
  - County Boundaries
  - Cities or Villages
  - ~ Open Water

The ecologically significant places depicted on this map originate from several different plans that identify areas of the state that are ecologically important based on criteria described in those plans. Land Legacy Places were identified in the Wisconsin Land Legacy Report (2006): [http://dnr.wi.gov/master\\_planning/land\\_legacy/](http://dnr.wi.gov/master_planning/land_legacy/), Conservation Opportunity Areas were identified in Wisconsin's Wildlife Action Plan Implementation Report (2008): <http://dnr.wi.gov/org/land/er/wwap/>, Important Bird Areas were identified in Important Bird Areas of Wisconsin (2007): <http://www.wisconsinbirds.org/iba/IBA-book.htm>

Protected Lands include most State, Federal and County ownership or easements as well as lands owned or managed by land trusts and NGOs such as The Nature Conservancy and others.
