

## **Winter Events at the Kettle Moraine State Forest –Southern Unit**

**Forest Headquarters**  
**S91 W39091 Highway 59**  
**Eagle, WI 53119**  
**262-594-6200**

### **Fly Tying**

**Sat, January 11, 10 a.m.**

Join an expert fly fisherman to learn how to tie some basic flies. We'll learn the wooly bugger and the pheasant tail nymph. Space is limited to 10 participants, call forest headquarters to rsvp: 262-594-6200.

### **Ice Fishing Clinic**

**Sat, January 18, 10 a.m.**

Join a DNR fish biologist for an introduction to ice fishing. Meet at Ottawa Lake, dressed for the weather (no shanty or shelter!). Equipment will be provided and fishing licenses are not required for free fishing weekend. A state park sticker is required to enter the park.

### **Volunteer Work Day**

**Tues, January 21 9-Noon**

Join the volunteer work crew to help prepare for the upcoming candlelight ski. Meet at the forest headquarters maintenance shop.

### **Candlelight Ski & Hike**

**Sat, January 25, 6-9 p.m.**

Ski or hike the forest by candlelight. The purple loop at the Nordic Trailhead will be a lighted winter wonderland. Cozy up by the fire or warm up inside the warming shelter.

### **Fly Tying**

**Sat, February 8, 10 a.m.**

Join an expert fly fisherman to learn how to tie some basic flies. We'll learn the wooly bugger and the pheasant tail nymph. Space is limited to 10 participants, call forest headquarters to rsvp: 262-594-6200.

### **Moonlight Snowshoe**

**Sat, February 15, 6:30-8 p.m.**

Hike under nature's headlamp—the light of the silvery moon. We will snowshoe the brown loop at the John Muir Trailhead. Celebrate after with a bonfire. Bring your own snowshoes and snacks for the fire ring. Hikers are welcome, depending on snow conditions. Call for current conditions (262)594-6200.

**Volunteer Meeting****Sat, February 22, 9 a.m.**

Calling all volunteers!!! Are you a current park volunteer? Would you like to be? Just want more information? Stop by the meeting to see what projects are in store for 2014. Meet at the forest headquarters auditorium.

**Volunteer Work Day****Sat, February 22, 10 a.m.-Noon**

Join the volunteer work crew for a morning of constructing nesting boxes for cavity nesting birds. Meet at the forest headquarters maintenance shop
