

ROCHE-A-CRI NATURALIST PROGRAMS

~Summer 2016~

All programs are free, donations are appreciated. A vehicle sticker is required.

Programs are located at the kiosk shelter unless noted.

Drop in anytime during the scheduled programs.

~**June 18th**: 2pm-4pm "*Hop Along to the Creek*" Join us at the creek (across from petroglyphs) and see if you can catch a frog, or maybe just join us for fun projects and games talking about frogs!

~**June 25th**: 2pm-4pm "Bear? Where?!" You might not see them all the time, but they're out there! Come learn about one of Wisconsin's elusive mammals and see a real black bear pelt.

~**July 2nd**: 2pm-4pm "*Wisconsin Mammals and Paws*" How many animals can you name from Wisconsin? Can you identify their tracks? Bring along a t-shirt or other item for track printing.

~**July 9th**: 2pm-4pm "*The Long Haul*" Where does water go when it gets into the water cycle? Learn about where water goes and create your own water story.

~**July 16th**: 2pm-4pm "Snakes in the Park" We may not have a live snake, but we will discover who may be slithering about in the park and what they eat.

~**July 23rd**: 2pm-4pm "Glacial Wisconsin" You know them as huge sheets of ice that receded thousands of years ago. But what did glaciers do to Wisconsin? Come find out!

~**July 30th**: 2pm-4pm "Batty About Bats" What goes bump in the night? Definitely not bats! Join us to clear up some misconceptions about our nighttime friends.

~**August 6th**: 2pm-4pm "*Campfire Safety*" How safe is your campfire? Come see if you can spot some of our mistakes and learn about wildfires.

~**August 6th**: 8:45pm "*Universe in the Park*" Come learn about the night sky from the UW-Madison astronomy students. A slide show presentation, telescope viewing & space facts for the whole family.

~**August 13th**: 2pm-4pm "*Smokey Bear Day*" Do you know the story of Smokey Bear? Come learn about Smokey, play games, learn about wildfire and campfire safety and meet Smokey.

Roche-A-Cri
