

Special WFLGP Opportunity for Oak Management*

 Counties Eligible for Funding

* These special Wisconsin Forest Landowner Grant Program (WFLGP) Oak Management Funds are made available by the State Turkey Stamp program. They must be used to promote oak in forest management.

Practices eligible include site preparation, tree planting or direct seeding, seedling protection, control of competing vegetation and crop tree release. Regular WFLGP eligibility requirements apply including:

- 1) ownership at least 10 acres but not more than 500 acres;
- 2) have a written and approved Forest Stewardship Plan;
- 3) practice approved by DNR Forester.
