

## ***Wisconsin 2015 Hunter Education Conference April 18<sup>th</sup>, 2015***

This conference is open to all active, retired, apprentice, junior instructors, Department of Natural Resources Staff, and supporters of Hunter Education and their families. The Annual Conference will be held at the Hotel Mead & Convention Center in Wisconsin Rapids, WI. Address and reservation information is below.

There are several important emphasis topics this year. The first is an Instructor Round-Table with the Hunter Education Administrator. All topics are on the table. This is your chance to bring issues forward to the Administrator and Recreational Safety Wardens (RSW), and to ask questions.

The Round-Table will be followed by the University of Wisconsin Stevens Point Student Law Enforcement Association (UWSP SLEA), presenting who they are, what they do, and how students (youth of today) learn.

Additional presentations and topics are planned on: EDOC; how to correctly administer the required field exam; the **new** 2015 Tree Stand Lesson Plan; review of 2014 hunting incidents; the Wisconsin Muzzle Loading Rifle Association and muzzle loading in hunter education classes; Federal and State requirements for access ability for disabled hunters, lessons learned from class audits, and more.

The conference qualifies for continuing education credit. Additional event information will be posted on [www.wheia.com](http://www.wheia.com) as it becomes available.

Following the conference will be the 2015 Wisconsin Hunter Education Instructor of the Year Awards banquet, (including the Hunter Education Instructor of the Year, Archery Instructor of the Year, Instructor Group of the Year, and Hunter Education Professional of the Year awards presentations), guest speakers on Tree Stand Safety and Injuries, WHEIA elections, and fund raising raffles.
