      - Delegate Election
        1. Review the county seats up for election in 2020
        2. Review election protocol – review protocol for run-off elections
        3. Elections should be held for vacant seats in your county
      - Review WCC Delegates Roles and Responsibilities
      - Note that this year each question will have 3 options for each question. Instead of skipping questions, it is our preference that individuals utilize the “no opinion” option if they do not have a position on the issue (this will give us better data to review), however people who skip questions will still have their input compiled. For the few questions that have “A-B-C” options, the attendees are instructed to skip those if they have no opinion.
      - When registering attendees at the Spring Hearing, delegates need to let people know they have the option of taking an input form OR a random verifiable number (RVN). We heard from many attendees last year that they were not even offered the RVN or how it worked wasn’t explained to them. Please be sure you are familiar with the process and can explain it to attendees.

   B. Delegate Profiles
      - Delegate profiles will again be available online in the form of a survey. Delegates have until Friday, April 17, 2020, to complete their delegate profile online. Delegates not up for election will receive an informational email in mid-February with the link to the survey, and instructions for taking the survey. If a delegate does not have email, a hardcopy will be sent in the mail to be completed and sent back. Newly elected and reelected delegates with email will receive the informational email a few days after the Spring Hearings and delegates without email will receive a hardcopy at the hearing to be completed and sent back by Friday, April 17, 2020.

   C. Local Spring Hearing Press
      - We will be sending the press release electronically to those delegates with email. Please decide who within your county will be responsible for taking this press release to local media outlets. We offer this press release to media for their use in order to get the word out about the Spring Hearings, but we do not have the funding to pay to have this
published in local papers. If you would like a hardcopy of this press release to distribute, please contact Kari Lee-Zimmermann at (608) 266-0580.

4. Other Congress Business

A. Committee Appointments
   • The District Leadership Councilors will discuss with their districts the advisory committee selection process and will work with their district delegates to identify the appropriate members to sit on the various advisory committees.

B. Youth Conservation Congress *(standing item on agenda)*
   • Be sure to engage any YCC delegates in attendance at your district meetings, ask them about any YCC activities or experiences they may want to share, and continue to encourage delegates to reach out to schools and youth in their areas to promote the Youth Conservation Congress program. Delegates on the YCC Oversight Committee may have additional information to share about the status of this youth engagement opportunity. This is an opportunity to educate new delegates (and remind long-time delegates) about this program.

C. Outreach & Public Relations Efforts - Delegate Resources/ Educational Material *(standing item on agenda)*
   • Continue efforts to educate the public about the WCC and their opportunity to participate in CDACs and Spring Hearings.
   • Delegates have a number of resources available to them under “local delegate resources” from the WCC homepage (*http://dnr.wi.gov/about/wcc/local.html*). Please review the guidance, trainings, and templates available to you.
   • There is a 1½ minute promotional video available for delegates to use when giving talks about the Congress or encouraging others to get involved. It can be found on the WCC homepage (*http://dnr.wi.gov/About/WCC/).*
   • There is also a WCC brochure that can be printed off the web (*https://dnr.wi.gov/About/WCC/Documents/WCC_Brochure19_20.pdf*) or ordered from Kari Lee-Zimmermann for use when providing informational material about the WCC to citizens.
   • Delegates can now get blank business cards that you can fill in with your contact information when you’re speaking to others about the WCC. Supplies of these can be ordered from Kari Lee-Zimmermann or you can also get the template to create and order on your own.
