Response (Brian Hendricks) was that City does have other funding from Grants and City contributions for other portions of the breakwater project. Mayor Tom Mlada said that Gateway entry is their project (65% City from Stewardship funding (variety) and other County funding). City looking at Army Corp of Engineers for armor stone funding. Question from Roger Walsh: What was funding for first phase of project (D-D1): Funded with \$600,000 RBF money and \$75,000 city funds. Concern for railings or something for people to hang onto for this current grant application portion of project. Project will be phased in with railing in future. Question from Dave Kedrowski on DOT grant. Discussions with DOT ongoing and City believes it looks positive to obtain \$2.4 million. If not, City will find funding. Mayor would like to complete project in 2018. Question from Lee Van Zeeland, when would we know if funding is not available from Harbor Assistance Program (HAP) of \$2.4 million to release money for other projects? Grant awards are typically for two years but can be extended. Brian Hendricks said that the City would know by October 1.</p> <p>Motion by Roger Walsh to fund all projects feasible.
