

ANNUAL DRY CLEANING PRODUCT USE REPORTED TO WI DEPT OF REVENUE

■ Perchloroethylene (in gallons) ■ Non-Perchloroethylene (in gallons)

This data is based on volumes reported by solvent suppliers on their quarterly returns. Quantities for filing years 2000 and earlier are based on data converted from Excel spreadsheets that may or may not have been maintained in a diligent and rigorous fashion.

*1997 totals reflect partial year data.

**2009-2010 totals reflect partial year data (1997-1st Qtr 2009 data recorded by WI Dept of Natural Resources; 3rd Qtr 2010 - present data recorded by WI Dept of Revenue)
