Sample Authorizing Resolution

Instructions: Each respondent must submit to the DNR an Authorizing Resolution that is approved by the governing body of the organization and indicates which officers or employees of the organization are authorized to do the following:

1. Sign and submit the proposal
2. Sign the Agreement between respondent and the DNR
3. Submit annual and/or final reports to the DNR to satisfy the Agreement
4. Submit reimbursement request(s) to the DNR
5. Submit a recorded Public Access Easement
6. Sign and submit other required documentation

We strongly recommend that respondents show title of position in the Authorizing Resolution, rather than name of employee. Employees have been known to retire or change jobs in the middle of a project. Were this to happen, your resolution would be ineffective. If your organization requires that a person be named in an Authorizing Resolution, then the resolution should also include contact information for the individual named.

Note: If respondent is required to submit a draft “intergovernmental agreement (IGA)” along with your proposal, an Authorizing Resolution is not a substitute for an IGA.
