

# Citizen Resolution # 240221

(For Hearing Officer completion)

## Walleye

**Walleye- Fox River system from Princeton Dam to Lake Puckaway to the Montello Dam- Marquette and Green Lake Counties. This rule proposal would change the daily bag limit on walleye from 5 to 3 with a minimum size limit of 15 inches on walleyes. Current regulations allow a daily bag limit of five with a 15 inch minimum size limit. Lake Puckaway gets heavy fishing pressure for walleye during April to June each year. Post spawn feeding patterns often result in limits of walleyes taken. Reducing the daily bag limit should aid in protection of the population of walleyes during these vulnerable months and keep the population strong on Lake Puckaway. Do you support reducing the daily bag limit from five to three as described?**

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
