

Citizen Resolution # 370121

(For Hearing Officer completion)

Proposed Panfish Limit Change for Lake Dubay

The panfish average size and population has declined severely on Lake Dubay (Marathon County) over the past 10 years. This resolution adjusts the daily bag limit to 10 panfish rather than the current 25. Without this change the panfish population may be decimated beyond recovery.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
