## Either Sex for the Holiday Hunt

**As of now the holiday hunt for CDAC is specifically for antlerless deer. I think it would be beneficial to see an option for the CDAC to have a type of either sex hunt. One type would be if a hunter shot a doe during the 9 day season they could fill there buck tag during the holiday hunt. The second option would be open either sex, all this would be based off the CDAC goals and public comment. Therefore, be it resolved that the Conservation Congress at is annual meeting held in Outagamie county on April 12th, 2021 recommend working with the DNR and CDAC to change the tool of the holiday hunt to either sex hunt. Do you support changing the Holiday Hunt as described above to an either sex hunt?**
