

Citizen Resolution # 530121

(For Hearing Officer completion)

Buck Hunting During Current Antlerless Seasons

In some counties of the State, Deer Populations are above population goals. As a result, forest regeneration is suffering, understory plants are over browsed, agricultural damage is a concern and Chronic Wasting Disease (CWD) is spreading rapidly and growing in prevalence.

This proposal seeks to increase hunter participation and to increase harvest of all deer in counties where the CDAC requests it's use and it is approved by DNR and the NRB, on a yearly basis. In counties where requested and approved, Buck Hunting will be allowed during any current "Antlerless Only" season.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
