

Citizen Resolution # 550121

(For Hearing Officer completion)

Changing the Thornapple Dam Fish Refuge

Currently the fish refuge for the thornapple dam on the flambeau river opens and closes with the opening and closing of musky season. This limits the time in the spring when the public can utilize the area to fish for other species for which the season opens prior to the opening of musky season.

Would you support changing the fish refuge language to allow fishing within the thornapple dam refuge for other species that the season is open for? This would not change the opening and closing dates for musky season, simply provide more access to the public to fish for species that the season is already open for.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
