

Citizen Resolution # 640521

(For Hearing Officer completion)

Remove burbot from list of Wisconsin rough fish

Whereas, the burbot is a native fish found in many Wisconsin waters. Burbot numbers have increased and are increasingly popular with sport anglers. It is listed presently as a rough fish and removing it as a rough fish would allow it to be managed as a game fish.

Be it resolved, On April 12th, 2021 that the Conservation Congress at its annual meeting: Would you support working with the Wisconsin Conservation Congress and legislature to remove burbot from the list of rough fish species?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
