

# HOW TO: Submit a Bobcat Application on Go Wild

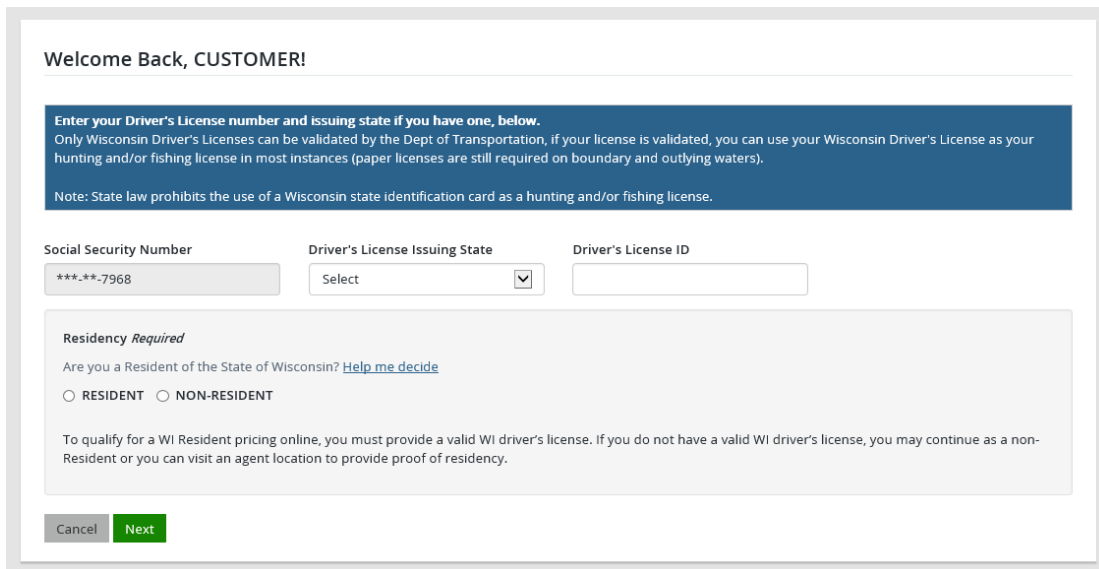

## STEP 1: Log in / create your Go Wild account

- Visit the website [gowild.wi.gov](http://gowild.wi.gov). If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

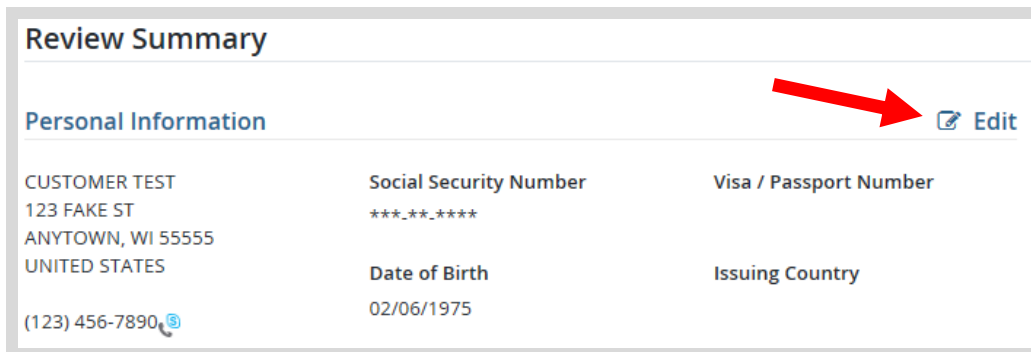

The image shows the Go Wild login page. On the left is the logo featuring a deer silhouette and the text "go WILD". On the right, there are two input fields: "Username" and "Password". Each field has a "Forgot" link to its right. Below the password field, there is a link "Don't have one? Use Account Lookup" with a red arrow pointing to it, and a green "Log In" button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a "Welcome Back, CUSTOMER!" form. It includes a blue instruction box about driver's license information. Below that are three input fields: "Social Security Number" (with a masked value), "Driver's License Issuing State" (a dropdown menu), and "Driver's License ID". There is also a "Residency Required" section with radio buttons for "RESIDENT" and "NON-RESIDENT", and a "Next" button.

- **Review Summary.** Check your personal information (address, phone, email, etc) for accuracy. If changes need to be made, select the [Edit](#) icon. Once everything is confirmed correct, select the [Yes](#) button at the bottom.

The image shows a "Review Summary" page. It has a section titled "Personal Information" with a red arrow pointing to an "Edit" icon. Below this, there is a table of information:
