

HOW TO: Submit an Elk Application on Go Wild

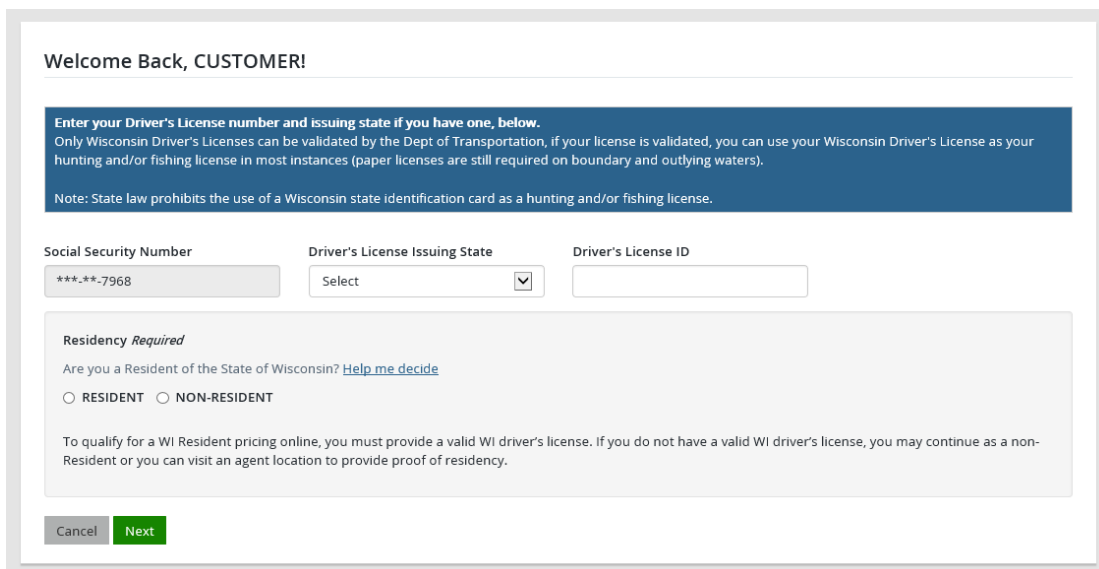

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the "Account Lookup" option to search for your account or create a new account if necessary.

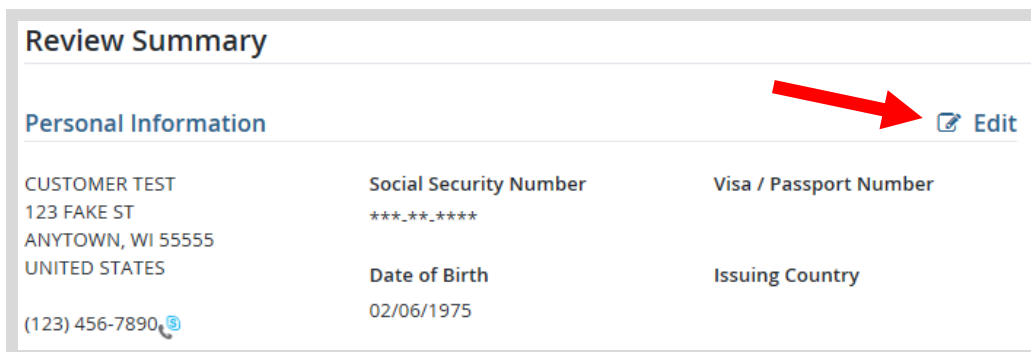

The image shows the Go Wild login page. On the left is the Go Wild logo featuring a deer silhouette and the text "go WILD". On the right, there are two input fields: "Username" and "Password". Above the Username field is a link "Forgot username?". Above the Password field is a link "Forgot password?". Below the Username field is a link "Don't have one? Use Account Lookup" with a red arrow pointing to it. To the right of this link is a green "Log In" button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a "Welcome Back, CUSTOMER!" form. At the top, it says "Welcome Back, CUSTOMER!". Below that is a blue box with the text: "Enter your Driver's License number and issuing state if you have one, below. Only Wisconsin Driver's Licenses can be validated by the Dept of Transportation, if your license is validated, you can use your Wisconsin Driver's License as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters). Note: State law prohibits the use of a Wisconsin state identification card as a hunting and/or fishing license." Below this are three input fields: "Social Security Number" (with a masked value "***.**-7968"), "Driver's License Issuing State" (a dropdown menu with "Select" and a downward arrow), and "Driver's License ID" (an empty text box). Below these is a section titled "Residency Required" with the question "Are you a Resident of the State of Wisconsin?" and a link "Help me decide". There are two radio buttons: "RESIDENT" and "NON-RESIDENT". Below this is a note: "To qualify for a WI Resident pricing online, you must provide a valid WI driver's license. If you do not have a valid WI driver's license, you may continue as a non-Resident or you can visit an agent location to provide proof of residency." At the bottom are two buttons: "Cancel" and "Next".

- **Review Summary.** Check your personal information (address, phone, email, etc) for accuracy. If changes need to be made, select the  [Edit](#) icon. Once everything is confirmed correct, select the  [Yes](#) button at the bottom.

The image shows a "Review Summary" page. At the top is the title "Review Summary". Below that is a section titled "Personal Information".
