

HOW TO: Submit an Upriver Sturgeon Spearing: Preference Point Application

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your account or create a new account if necessary.

The image shows the Go Wild login page. On the left is the Go Wild logo featuring a deer silhouette and the text 'go WILD'. On the right are two input fields: 'Username' with a 'Forgot username?' link and 'Password' with a 'Forgot password?' link. Below these is a green 'Log In' button and a link that says 'Don't have one? Use Account Lookup' with a red arrow pointing to it.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows the 'Welcome Back, CUSTOMER!' screen. It features a blue instruction box: 'Enter your Driver's License number and issuing state if you have one, below. Only Wisconsin Driver's Licenses can be validated by the Dept of Transportation, if your license is validated, you can use your Wisconsin Driver's License as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters). Note: State law prohibits the use of a Wisconsin state identification card as a hunting and/or fishing license.' Below this are three input fields: 'Social Security Number' (masked as ***.**-7968), 'Driver's License Issuing State' (a dropdown menu with 'Select' and a checkmark), and 'Driver's License ID'. A 'Residency Required' section asks 'Are you a Resident of the State of Wisconsin?' with radio buttons for 'RESIDENT' and 'NON-RESIDENT', and a 'Help me decide' link. At the bottom are 'Cancel' and 'Next' buttons.

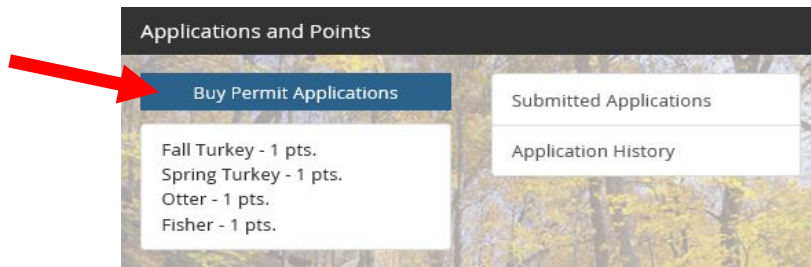

- **Review Summary.** Check your personal information (address, phone, email, etc) for accuracy. If changes need to be made, select the  [Edit](#) icon. Once everything is confirmed correct, select the  button at the bottom.

The image shows the 'Review Summary' screen. It has a title 'Review Summary' and a section 'Personal Information'. A red arrow points to an 'Edit' icon (a pencil) next to the 'Personal Information' header. Below the header, there are three columns of information: 'CUSTOMER TEST' with address '123 FAKE ST ANYTOWN, WI 55555 UNITED STATES' and phone '(123) 456-7890'; 'Social Security Number' with value '***_**-****'; and 'Date of Birth' with value '02/06/1975'. Other headers include 'Visa / Passport Number' and 'Issuing Country'.
