

HOW TO: Purchase a Junior Deer License in Go Wild

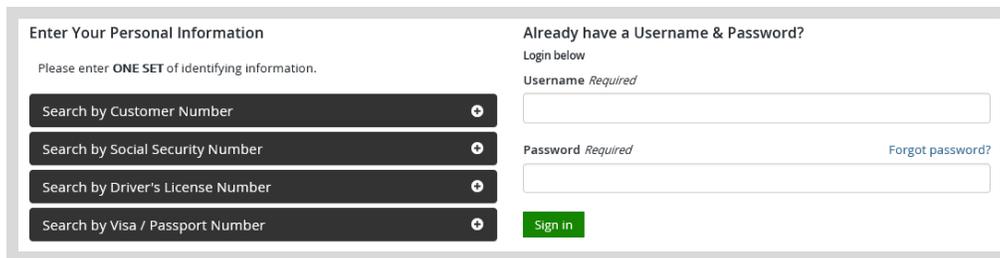

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the "Account Lookup" option to search for your account or create a new account if necessary.

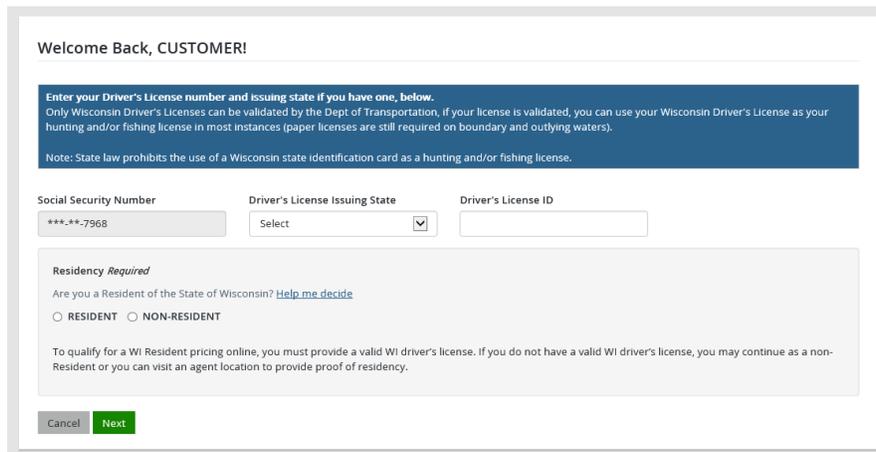

The image shows the Go Wild login and account creation interface. On the left is the Go Wild logo featuring a deer silhouette. To the right are two input fields: "Username" with a "Forgot username?" link and "Password" with a "Forgot password?" link. Below these is a "Log In" button. A red arrow points to the text "Don't have one? Create a new account or use Account Lookup" located below the password field.

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

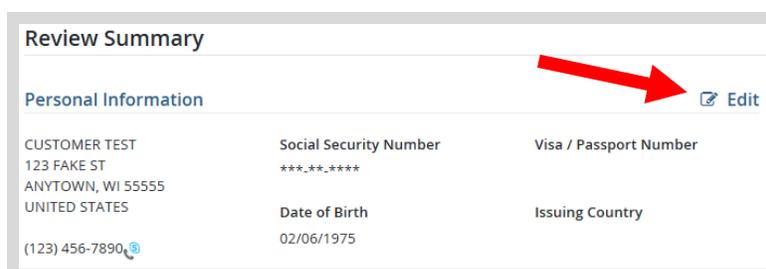

The image displays two sections for account access. The left section, titled "Enter Your Personal Information", asks for "ONE SET of Identifying information" and provides four search options: "Search by Customer Number", "Search by Social Security Number", "Search by Driver's License Number", and "Search by Visa / Passport Number". The right section, titled "Already have a Username & Password?", includes a "Login below" prompt, "Username Required" and "Password Required" fields, a "Forgot password?" link, and a "Sign in" button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a "Welcome Back, CUSTOMER!" form. It features a blue informational box about Wisconsin Driver's Licenses. Below this are three input fields: "Social Security Number" (masked as ***-**-7968), "Driver's License Issuing State" (a dropdown menu), and "Driver's License ID". A "Residency Required" section asks "Are you a Resident of the State of Wisconsin?" with radio buttons for "RESIDENT" and "NON-RESIDENT", and a "Help me decide" link. A "Cancel" and "Next" button are at the bottom.

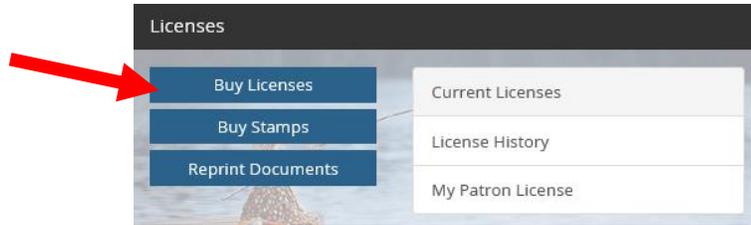

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the [Edit](#) icon. If everything is correct, select the **Yes** button.

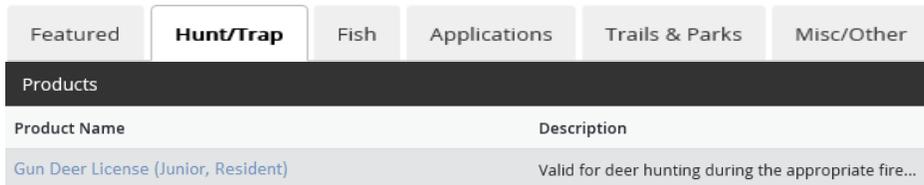

The image displays a "Review Summary" form. It has a "Personal Information" section with a table of details: CUSTOMER TEST, 123 FAKE ST, ANYTOWN, WI 55555, UNITED STATES, (123) 456-7890, Social Security Number (***-**-****), Date of Birth (02/06/1975), Visa / Passport Number, and Issuing Country. A red arrow points to an "Edit" icon in the top right corner of the form.
