

# HOW TO: Add deferred items to your patron license

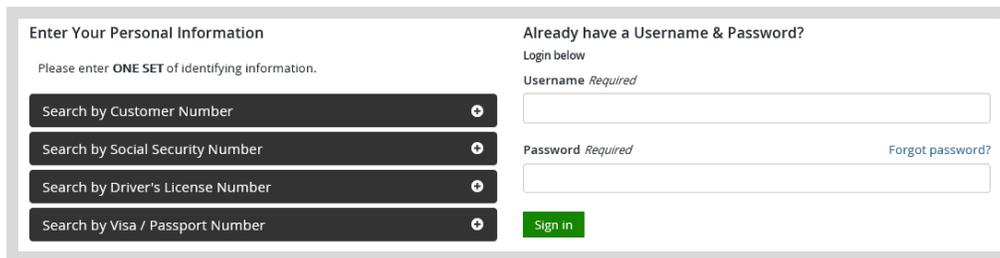

## STEP 1: Log in / create your Go Wild account

- Visit the website [gowild.wi.gov](http://gowild.wi.gov). If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the "Account Lookup" option to search for your account or create a new account if necessary.

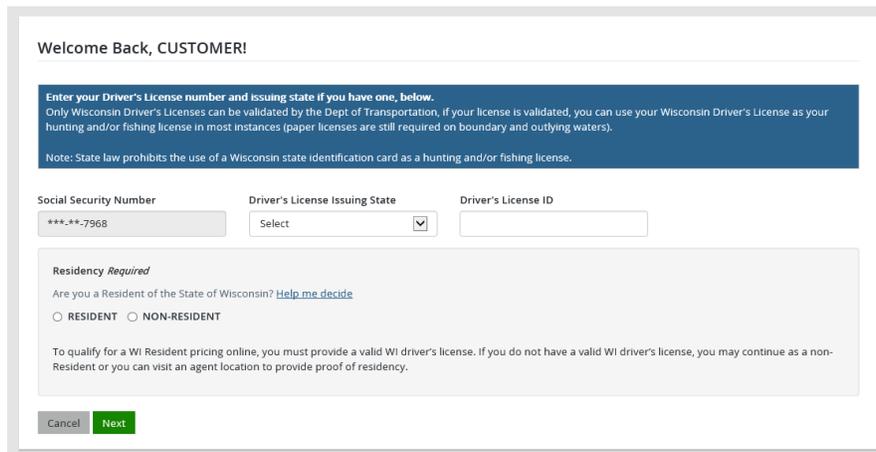

The image shows the Go Wild login and account creation interface. On the left is the Go Wild logo featuring a deer. To the right are two input fields: "Username" and "Password", each with a "Forgot" link. Below these is a "Log In" button. A red arrow points to the text "Don't have one? Create a new account or use Account Lookup".

- **Access your Account** - Search for your existing customer record using one of the four personal information options on the left. Or enter your username and password for your account if you have already created one.

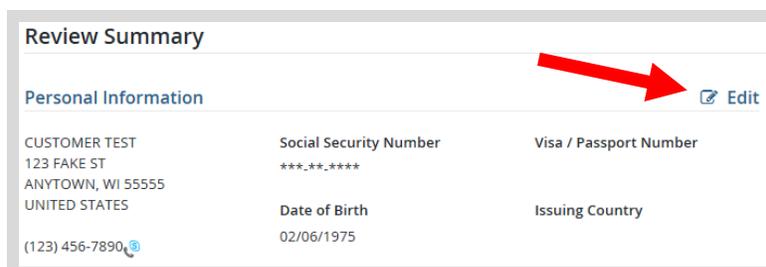

The image shows two sections for account access. The left section, "Enter Your Personal Information", asks for "ONE SET of Identifying Information" and offers four search options: "Search by Customer Number", "Search by Social Security Number", "Search by Driver's License Number", and "Search by Visa / Passport Number". The right section, "Already have a Username & Password?", has a "Login below" header and fields for "Username Required" and "Password Required", with a "Forgot password?" link and a "Sign in" button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state residency (Wisconsin resident or nonresident). If you are unsure of your state residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a "Welcome Back, CUSTOMER!" form. It includes a blue banner with instructions: "Enter your Driver's License number and issuing state if you have one, below. Only Wisconsin Driver's Licenses can be validated by the Dept of Transportation, if your license is validated, you can use your Wisconsin Driver's License as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters). Note: State law prohibits the use of a Wisconsin state identification card as a hunting and/or fishing license." Below this are three input fields: "Social Security Number" (masked as \*\*\*-\*\*-7968), "Driver's License Issuing State" (a dropdown menu), and "Driver's License ID". A "Residency Required" section asks "Are you a Resident of the State of Wisconsin?" with radio buttons for "RESIDENT" and "NON-RESIDENT", and a "Help me decide" link. A note explains that a valid WI driver's license is required for resident pricing. At the bottom are "Cancel" and "Next" buttons.

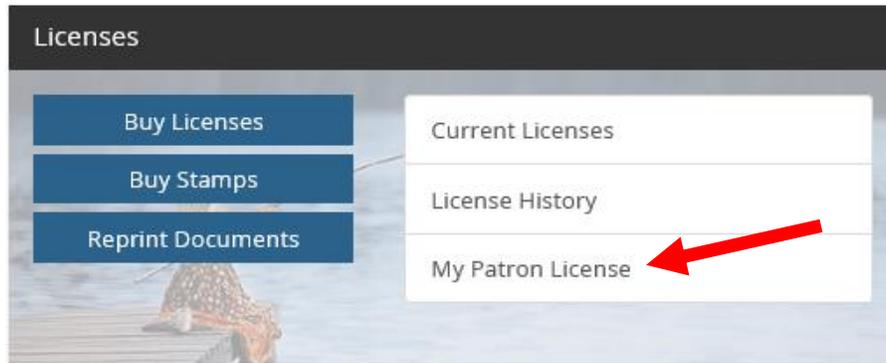

- **Review Summary.** Check your personal information for accuracy. If changes need to be made, select the  [Edit](#) icon. If everything is correct, select the  button.

The image shows a "Review Summary" page for "Personal Information". It lists customer details: "CUSTOMER TEST", "123 FAKE ST", "ANYTOWN, WI 55555", "UNITED STATES", and a phone number "(123) 456-7890". It also shows "Social Security Number" as "\*\*\*-\*\*-\*\*\*\*\*", "Date of Birth" as "02/06/1975", "Issuing Country", and "Visa / Passport Number". A red arrow points to an "Edit" icon in the top right corner.

## STEP 2: Find your deferred items.

- **Customer Homepage.** Locate the Licenses section and select My Patron License.

- **Edit Combo License.** The system will display the items that you deferred when you purchased your patron license previously. Select the checkbox for all deferred items you wish to complete. Items you have already purchased or that have passed the deadline will not display. Select Continue when you have made all selections or select Done if you wish to leave the page with no changes.
