

HOW TO: Complete your registration in Go Wild

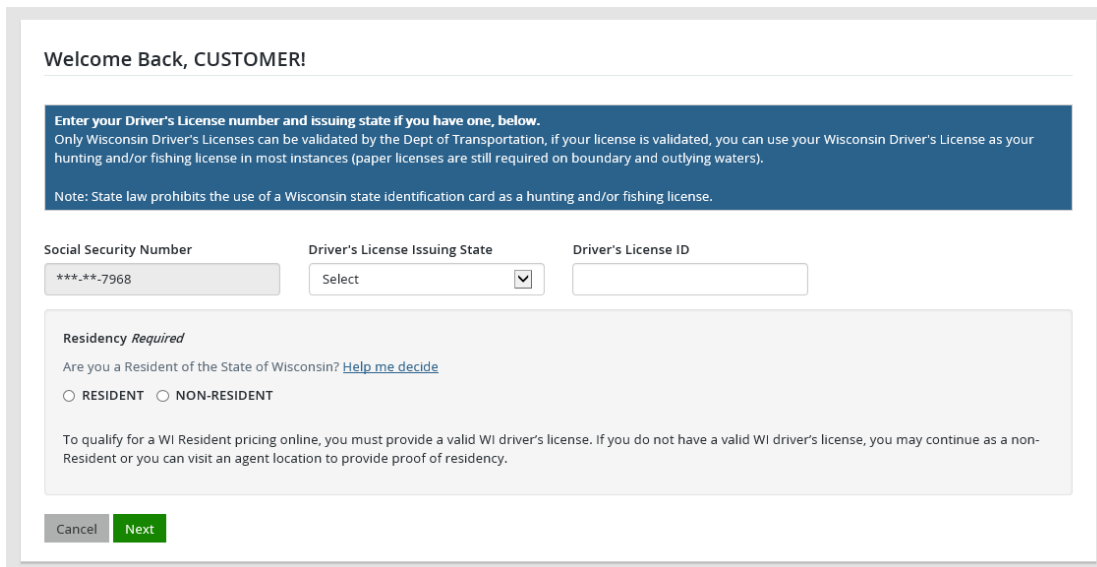

STEP 1: Log in to your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your DNR customer account.

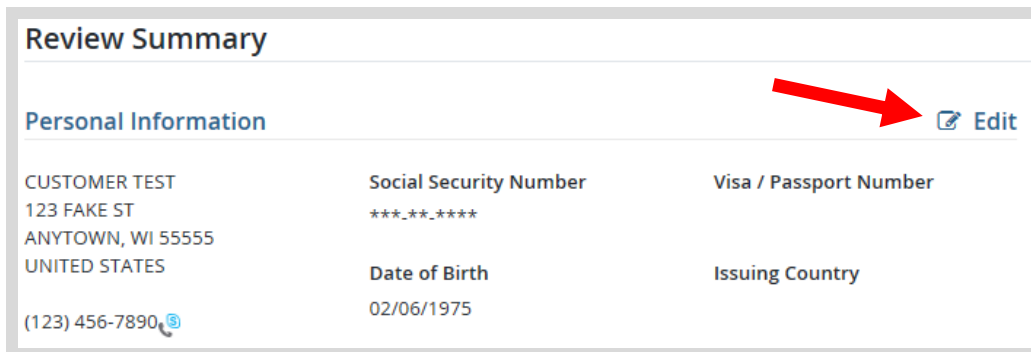

The image shows the Go Wild login page. On the left is the Go Wild logo featuring a deer silhouette and the text 'go WILD'. On the right, there are two input fields: 'Username' and 'Password'. Each field has a 'Forgot [username/password]?' link to its right. Below the password field, there is a link 'Don't have one? Use Account Lookup' with a red arrow pointing to it, and a green 'Log In' button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state of residency (Wisconsin resident or nonresident). If you are unsure of your state of residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a 'Welcome Back, CUSTOMER!' registration form. It includes a blue instruction box: 'Enter your Driver's License number and issuing state if you have one, below. Only Wisconsin Driver's Licenses can be validated by the Dept of Transportation, if your license is validated, you can use your Wisconsin Driver's License as your hunting and/or fishing license in most instances (paper licenses are still required on boundary and outlying waters). Note: State law prohibits the use of a Wisconsin state identification card as a hunting and/or fishing license.' Below this are three input fields: 'Social Security Number' (with a masked value '***.**-7968'), 'Driver's License Issuing State' (a dropdown menu with 'Select' and a checkmark), and 'Driver's License ID'. A 'Residency Required' section asks 'Are you a Resident of the State of Wisconsin?' with radio buttons for 'RESIDENT' and 'NON-RESIDENT', and a 'Help me decide' link. A note at the bottom states: 'To qualify for a WI Resident pricing online, you must provide a valid WI driver's license. If you do not have a valid WI driver's license, you may continue as a non-Resident or you can visit an agent location to provide proof of residency.' At the bottom are 'Cancel' and 'Next' buttons.

- **Review Summary.** Check your personal information (address, phone, email, etc) for accuracy. If changes need to be made, select the  [Edit](#) icon. Once everything is confirmed correct, select the  [Yes](#) button at the bottom.

The image shows a 'Review Summary' page. At the top is the title 'Review Summary'. Below it is a section titled 'Personal Information' with an 'Edit' icon and text to its right, with a red arrow pointing to it. The personal information is displayed in a table-like format:
