

HOW TO: Complete your registration in Go Wild

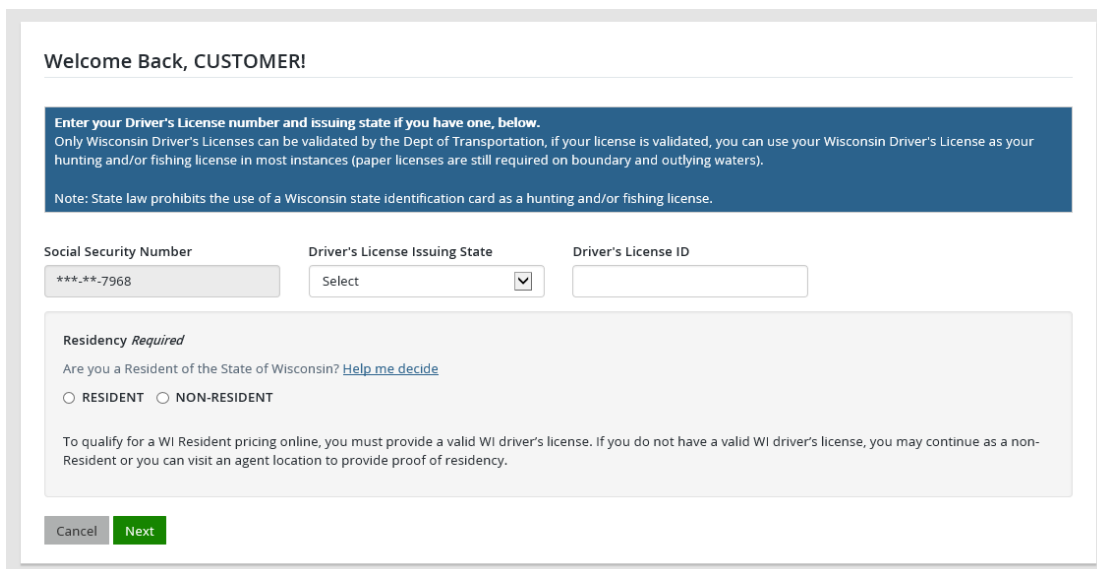

STEP 1: Log in / create your Go Wild account

- Visit the website gowild.wi.gov. If you have already set up a username/password for your account, you may log in directly using that. If you have not yet created a username/password, use the “Account Lookup” option to search for your DNR customer account.

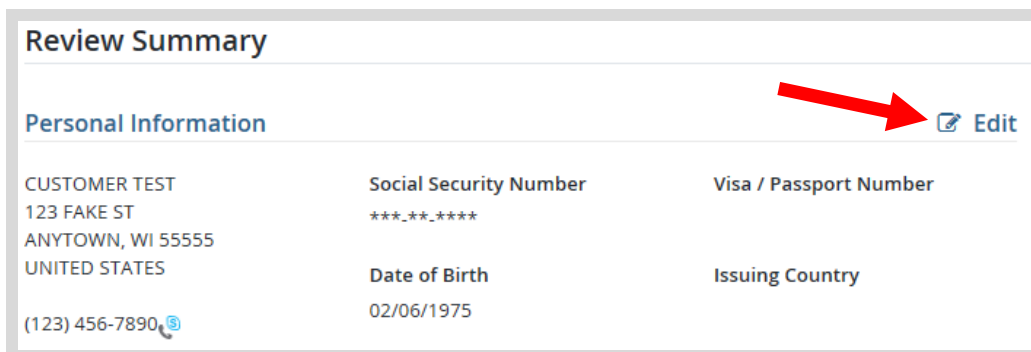

The image shows the Go Wild login page. On the left is the Go Wild logo featuring a deer silhouette and the text 'go WILD'. On the right, there are two input fields: 'Username' and 'Password'. Above the Username field is a link 'Forgot username?'. Above the Password field is a link 'Forgot password?'. Below the Password field, there is a link 'Don't have one? Use Account Lookup' with a red arrow pointing to it, and a green 'Log In' button.

- **Welcome Back!** Enter your driver license information (optional). If you do not wish to enter your driver license, leave both the DL state and DL number blank. Next indicate your state of residency (Wisconsin resident or nonresident). If you are unsure of your state of residency, select the [Help me decide](#) link. *Note: To change your residency from nonresident to resident, all customers age 18 and over must include a WI driver license number.*

The image shows a 'Welcome Back, CUSTOMER!' registration form. It includes a blue informational box with text about driver's license validation and a note about Wisconsin state identification cards. Below this, there are three input fields: 'Social Security Number' (with a masked value '***.**-7968'), 'Driver's License Issuing State' (a dropdown menu with 'Select' and a checkmark), and 'Driver's License ID'. Underneath is a 'Residency Required' section with a question 'Are you a Resident of the State of Wisconsin?' and a link 'Help me decide'. There are two radio buttons: 'RESIDENT' and 'NON-RESIDENT'. A note below explains that a valid WI driver's license is required for resident pricing. At the bottom are 'Cancel' and 'Next' buttons.

- **Review Summary.** Check your personal information (address, phone, email, etc) for accuracy. If changes need to be made, select the  [Edit](#) icon. Once everything is confirmed correct, select the  button at the bottom.

The image shows a 'Review Summary' page. At the top is the title 'Review Summary'. Below it is a section titled 'Personal Information'. A red arrow points to an 'Edit' icon (a pencil) next to the 'Personal Information' header. Below the header, there is a table of personal information:
