Vol. filtered for chl: <u> </u> ml			

* Perception = Perception of the amount of algae in the water sample location.
 1=Beautiful, could not be any other way
 2=Very minor aesthetic problem excellent for swimming and boating enjoyment
 3=Swimming and aesthetic enjoyment of lake slightly reduced because of high algae level
 4=Desire to swim & level of enjoyment of lake substantially reduced because of algae; not swim, but boating is OK
 5=Swimming and aesthetic enjoyment of lake substantially reduced because of algae

If you call in the data, mail the original (blue) copy in the postage paid envelope (or to Citizen Lake Monitoring Network, WI DNR, PO Box 7921, Madison WI 53703) by Nov 15. If you enter the data on the web, keep a copy for your records. There's no need to mail a paper copy. The Citizen Lake Monitoring web site is: dnr.wi.gov/lakes/clmn
