

# Citizen Resolution # 050120

(For Hearing Officer completion)

## One Buck tag state wide + Unit Buck tag

Each year the Conservation Congress accepts written resolutions from the public, in each county throughout the state regarding natural resource issues of statewide concern. These resolutions are introduced by the public in attendance during the Conservation Congress county meeting that is held annually in conjunction with the DNR Spring Fish and Wildlife Hearings in April.

In order for a resolution to be accepted for further consideration by the Conservation Congress and for public input at the annual Conservation Congress county meeting, all resolutions introduced must meet the following requirements:

1. The concern must be of statewide impact.
2. The concern must be practical, achievable and reasonable.
3. The resolution must be typed.
4. The resolution must have a clear title and specifically define the concern.
5. Current state statutes and laws must be considered, with reasonable cause for change being presented.
6. The resolution must clearly suggest a solution to the concern and a description of further action desired.
7. Resolutions must be 250 words or less exclusive of the title and author contact information. (This guidance is not included in the word count.)

### Concern: How to reduce deer herd without over harvesting bucks

**One buck tag that can be used for any season. In any unit.**

**A second buck tag can be issued to a hunter that fills his first tag and fills a doe tag. The second buck tag is limited to the unit that the doe was taken in.**

**In units that are way over populated, you could give out a third buck tag if the hunter takes 2 more does.**

**Should not be considered Earn-a-Buck because everyone gets the first buck tag**
