

Citizen Resolution # 530220

(For Hearing Officer completion)

REDUCING WISCONSIN WHITETAIL HUNTING LICENSE FEES FOR WISCONSIN SENIORS 65 YEARS OF AGE AND OLDER

At present, Wisconsin does not have a discounted Whitetail hunting license fee for senior residents and charges the same fee for everyone. The fishing license fee is reduced, why not the hunting license?

Thousands of Wisconsin residents have purchased Whitetail hunting licenses for many years and those fees have helped support the Whitetail Deer resource in the State of Wisconsin. It is appropriate that seniors receive a discount once they achieve the age of 65. Many residents in this age group are on a fixed income and a reduction in hunting license fees would have an impact on the number of hunters to help increase the deer harvest.
