ACTION

II. INFORMATION & ACTION ITEMS  
A. WM 04-15(E) EARLY TEAL/MORNING DOVE SEASON  
BOHMANN

DISCUSSION  
This is the second year of a trial three year offering from the Feds. The offering was to give those in the North an opportunity on Teal and Morning Doves before they migrate South and is supported by the Congress Migratory Committee. There have been few problems but some concerns as to miss identification of birds. There have been some cases of this happening but this is a small amount and within limit ranges designated by the Feds. We will continue to monitor as this is still a trial three year program.  
Motion/Maas, 2nd/Bonde to support, Motion Carries

ACTION  
Support the program and communicate to the DNR Board that support.

B. PROPOSED AMENDMENTS TO COLUMBIA CO. MASTER PLAN TO ALLOW SITING OF A SHOOTING RANGE AT MUD LAKE WILDLIFE AREA COLUMBIA COUNTY  
BOHMANN

DISCUSSION  
Bohmann read a letter from Columbia County Sporting Alliance in support of the project. In the
It was stated that this was the best location of all potential sites. The county needs a site and is struggling with damage and littering in other state property locations. Motion/Maas, 2nd/Fahrney to support, Motion Carries.

Support the program and communicate to the DNR Board that support.

Support the program and communicate to the DNR Board that support.

C. ADVISORY COMMITTEE OFFICERS

List of assignments are over 95% done. Still have one committee chair (Mississippi) and three secretary positions (Rules, 10 Year Plan and Mississippi) to fill. Rob will make some calls to see if he can find some delegates that will help. Here is a link for the assignments so far.

http://dnr.wi.gov/about/wcc/Committees.html

We still need additional delegates to fill out some committees. There was a discussion on how we fill some of those open spots, some of those happen due to vacancies in the congress. Fahrney will be writing an article for the Outdoor News in an effort to get more involved at the county level.

D. Leadership Training

Bohmann: still not sure if or when we are putting on a leadership training session for chairs and committee leadership. Kari: we could do a conference call but that might not be very successful, a computer linking session could also be a possibility.

A discussion of what would be the agenda and how do we deliver it to the delegates took place. Maas; suggested that we have a video available to delegates as a resource. Bonde: we did this for district training last year and it was received well. Maybe Kari can put a script together and work with Nadia Bogue (Milwaukee Co. delegate) and then get officers involved in the production.

Move forward

E. ADMINISTRATIVE HOUSEKEEPING

Struggling with youth CC not getting enough support for mentors Kari would like to get the oversight committees together and get the youths there too there is a need for the oversight committee to understand what there roll is and the youth delegates have some say on how this is moving forward.

We shouldn’t have to wait 2-3 months to find a mentor, this is embarrassing to the Congress and makes us look foolish. Kari: will have a conference call with oversight.com to get them involved. Bonde: We have a lot of opportunities within the department to get the youth involved we just need to get the current and potential mentors up to speed as to what is available and who to contact as a resource.

Bohmann This is our baby and we need to get this going and wants this put on the agenda for the district meetings.

Kari has a meeting coming up with department leadership and wants to be sure we have a plan in place. Maas: This is not soon enough I agree we need to put on fall district meeting agenda for a list of current mentors and also who will be volunteer mentor, but how about the Chair write a letter to all District Councilors and delegates explaining the urgency so we can get ahead of the issue we need this to move quicker. We need this prior to getting youth delegates for each district It makes no sense to ask for youth delegates, have them step forward and then wait three months to get them a mentor.

Kari: The Oversight committee should have input on this we can setup a conference call in July with the committee and officers to better define the responsibilities of the committee and how we are going to move forward. Everyone agreed and suggested a night call to accommodate most delegates.

Maas: Suggested contact Dave Tupa Chair of committee and give him a heads up and get his input. Rob will call D. Tupa tonight.

Kari: Nadia Bogue was not able to present her Draft communication plan at the convention and suggested Nadia be a part of the next Ex. Council meeting or would we prefer a presentation to the Ex. Committee at the next conference call? Her plan is a procedure on how to handle contacts between
congress and public. It was decided that she would be invited to be a part of the next conference call meeting in July; (this will be an evening call Nadia is a Milwaukee County delegate).
