

Citizen Resolution # 060221

(For Hearing Officer completion)

Safe access to transfer from a dock to a boat

Currently many docks do not provide safe access for children,elderly,mobile infirm, and handicapped from dock to boat and vice versa.Many docks charge a fee for use but do not provide for this access. Boat landings/docks existing or future at landings entering Wi. state waterways, must have vertical rails,pipes,hand grabs etc. so as to allow the safe transferring for children,elderly,mobile infirm, and handicapped from dock to boat and vice versa, allowing equal access to wi.state waters for everyone. Criteria to be considered could include amount of use, nearby population levels, Fee structure and number of docks available on any given waterbody.

Be it resolved: should the Wis. Conservation Congress work with the WDNR to create dock/landing requirements to address this situation?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
