

Citizen Resolution # 130821

(For Hearing Officer completion)

Gathering Additional Data For Management Models

For the purpose of improving WDNR population wildlife models, I propose that , statewide , a WDNR official or trusted representative be present for each day of any killing contest or hunting fundraiser in order to tally a total number of each species killed at the end of each day of the contest. A trusted representative could include a volunteer area University student enrolled in Conservation or Wildlife Management program, DNR intern and Conservation warden trainees. This will augment the current data collection methods and indicate species population trends over the years.

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
