

Citizen Resolution # 180121

(For Hearing Officer completion)

Resident Only Fishing Time on the Brule River

Currently most of the peak season on the Brule River is occupied by Non-Residents from Minnesota. While I'm all for non-residents fishing in our state the demand is now greater the supply so the amount of people fishing is now deterring our tax paying residents from using this great resource. I've also notice much of the social media bullying about keeping and handling fish comes from these non-residents. Putting our residents first, I propose that the first two weeks of Spring opener is resident only as will as the first two weeks in October during the peak of the fall run. Thank you!
