

Citizen Resolution # 450821

(For Hearing Officer completion)

Term limits for the Advisory Committee members

When a WI citizen submits a resolution at the April WCC Spring hearing, if it passes at the county level, the resolution is assigned to one of the 24 advisory committees where it will either be moved forward or rejected.

The Problem: Too often Citizens feel disenfranchised as their resolutions may be immediately rejected by their assigned Advisory Committee. In the case of wildlife resolutions; if the resolution does not increase hunting or trapping opportunities; it may not be advanced.

A resolution which addresses fair chase/ethical hunting issues and is factually correct deserves impartial consideration. Currently WCC Advisory Committee members can serve for years with no term limits. 2-year term limits for Advisory Committee members would allow sportsmen/women and nonconsumptive users a greater opportunity to have a non-biased review of their resolutions.

Be it resolved on April 12, 2021 the Conservation Congress has resolved to work with WI DNR to limit Wisconsin Conservation Congress Advisory Committee members to 2 terms of 2 years. A yes vote means you agree to (2) 2-year term limits for the WCC Advisory Committee members.
