

Citizen Resolution # 570221

(For Hearing Officer completion)

Deer Antlerless Permits

In some counties, antlerless permits are not issued with the purchase of a gun or archery license, but sold on a first come, first served basis. Whereas, not everyone can be on a computer or at a license center at a specific time or date to purchase a permit, a more equitable system for all hunters would be the antlerless drawing. The DNR already has a system in place for turkeys that could be used for antlerless permits. Would you be supportive of changing the first come, first serve procedure to a drawing for antlerless permits for counties that do not issue antlerless permits with the purchase of a gun or archery license?
