

Citizen Resolution # 640221

(For Hearing Officer completion)

Increase Class 2 brook trout bag limit

Whereas, there is no valid scientific reason to lower the bag limit for brook trout in inland streams from five trout to three trout. Many trout anglers fish to consume the trout rather than catch and release. Three trout cannot make a meal for a couple, however five trout could make a meal.

Be it Resolved, On April 12th, 2021 that the Conservation Congress at its annual meeting, would you support the Wisconsin Conservation Congress work with the DNR to increase the daily bag limit of brook trout in inland streams from three trout to five trout?

Resolutions introduced at each Spring Hearing are public documents under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.] and will be posted online for the public to review. Any personally identifiable information will be available to the public but will only be used by the Department for administrative purposes.

Please print typed resolution on 8 ½ X 11 white paper (one-sided) and provide the WCC County Chair with TWO COPIES at the spring hearing. Only the individual author or designated representative may present the resolution. The author or designated representative must be present at the time the resolution is introduced. No more than two resolutions may be introduced by any person during the Congress portion of the spring hearings.

Contact one of your [local WCC delegates](#) with questions or for assistance with writing your resolution.
